If you are a person with a disability and require accommodation to participate in a City of Los Angeles Department of Recreation and Parks program, service, or activity, requests may be made by calling the facility or 711 for CA Relay, ten days in advance of the event. We will do our best to fulfill requests with less than ten business days' notice.

If a participant requires a one to one aide, requests will be fulfilled within seven business days of receiving required paperwork and documentation needed to issue a Right of Entry Permit to the agency providing the aide.
