RECOMMENDATIONS

1. Approve the award of a concession agreement to Sherman Oaks Castle Park Arcade and Cafe, LLC (SOCPAC) for the operation and maintenance of the Sherman Oaks Castle Park Arcade and Food and Beverage (F&B) Concession, for a term of ten years with one five-year extension option exercisable at the sole discretion of the Department of Recreation and Parks (RAP) General Manager;
2. Approve the proposed agreement between RAP and SOCPAC for the operation and maintenance of the Sherman Oaks Castle Park Arcade and F&B Concession, in substantially the form attached as Attachment 1 to this Report (Agreement), subject to the approval of the Mayor, the City Council, and the City Attorney as to form;
3. Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the proposed Agreement to the City Council, to the Mayor in accordance with Executive

Directive No. 3 (Villaraigosa Series), and concurrently to the City Attorney for review as to form;

4. Find, in accordance with Charter Section 1022, that it is necessary, feasible, and economical to secure these services by contract as RAP lacks sufficient and necessary personnel to undertake these specialized professional services;
5. Find, pursuant to Charter Section 371(e)(10), and Los Angeles Administrative Code Section 10.15(a)(10), that the use of competitive bidding for the services to be provided by SOCPAC would be undesirable, impractical or otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP for the operation and maintenance of the Sherman Oaks Castle Park Arcade and F&B Concession;
6. Find that the approval of the proposed Agreement and related activities authorized under this Report (Project) is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301 [Operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use] and Section 15311 [Placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities] of California CEQA Guidelines and Article III, Section 1, Class 1(1), Class 1(14) and Class 11(6) of City CEQA Guidelines and direct RAP staff to file a Notice of Exemption (NOE) with the Los Angeles County Clerk and the Governor's Office of Land Use and Climate Innovation;
7. Authorize the RAP Chief Accounting Employee to prepare a check to the Los Angeles County Clerk in the amount of \$75.00 for the purpose of filing the NOE; and
8. Authorize the RAP General Manager or designee to execute the proposed Agreement upon receipt of all necessary approvals, and to make any necessary technical changes consistent with the Board's intent in approving this Report and the proposed Agreement.

### SUMMARY

Sherman Oaks Castle Park (SOCP) is a five-acre family entertainment center in Sherman Oaks featuring three landscaped 18-hole miniature golf courses, an arcade, and a food and beverage (F&B) concession. Located at the center of the property is a 7,500 square-foot medieval castle themed building (Building) that houses the arcade, F&B concession, and miniature golf operations. SOCP is open every day of the year serving approximately 300,000 guests annually.

The miniature golf portion of SOCP is operated by RAP. The arcade, F&B and batting cages concessions are currently operated by independent businesses under concession agreements with RAP. The arcade and F&B concession is located inside the Building, and features state-of-the-art arcade games, kitchen and dining area.

Butterfield Games Inc. (Butterfield) is the current arcade concessionaire and has been operating the concession since 2007 under an agreement resulting from a Request for Proposal (RFP) (Board Report No. 06-219) that awarded a concession agreement for a term of ten years with one five-year extension option. The five-year renewal option was exercised in September 2018 through a Supplemental Agreement to Agreement No. 256 approved by the Board (Board Report No. 18-030). This renewal extended the agreement's expiration date from June 7, 2017 to June 7, 2022. During the COVID-19 pandemic, SOCP arcade was closed to the public. The arcade reopened on May 13, 2021. Therefore, the agreement was further extended for fourteen months, which term expired on August 8, 2023 (Board Report No. 22-180); this concessionaire is now operating on a month to month basis.

A.J. Family Food Concession, LLC is the current F&B concessionaire and has been operating the concession since August 14, 2023 under a temporary permit issued by RAP that expired on February 9, 2024; this concessionaire is now operating on a month to month permit. Previously, the F&B concession was operated by Monterey Foods beginning in 2007 under an agreement resulting from an RFP (BR No. 06-219) that awarded a term of ten years with one five-year extension option. Monterey Foods operated the concession until it was closed due to COVID-19 pandemic and elected not to reopen the concession, which remained vacant until the current concessionaire, A.J. Family Food Concession, LLC assumed operations. This concessionaire is comprised of a partnership between member(s) of Butterfield and A.J. Family Entertainment, LLC, the SOCP batting cages concession operator.

### RFP AND OUTREACH

On April 5, 2023, RAP released an RFP (CON-F23-002) for the operation and maintenance of the SOCP Arcade and F&B Concession. As mentioned previously, the arcade and F&B concessions currently operate under separate agreements. However, RAP determined that it would be most efficient to combine the F&B and arcade into one agreement as these concessions share a small space and an operator could achieve greater economies of scale by combining the operations into one contract.

### OBJECTIVES OF THE RFP

#### *For the Arcade Concession:*

- Provide and maintain state-of-the-art games appealing to a wide variety of customers
- Provide and maintain ATM to accommodate guests
- Provide a change machine, kiosk or other alternative to provide change to customers
- Provide necessary equipment to purchase games (i.e. cashless card system, token machine etc.)
- Provide party and group packages for purchase
- Coordinate with SOCP facility management to develop and implement a procedure to track purchases for groups and parties
- Employ at least one gaming technician on site during hours of operation

- Adequately staff the prize redemption counter and stock the redemption prize inventory with quality merchandise
- Conduct marketing, advertising, and community outreach
- Respond to all inquiries for service quickly and professionally
- Maintain cleanliness and appearance of the arcade and F&B facilities and surrounding areas
- Restroom and kitchen improvements
- Remit monthly revenue share payment and revenue report to RAP

*For Food & Beverage Concession:*

- Provide F&B services, including breakfast selections, and a beer and wine menu on a year-round basis to serve members of the public, while being sensitive to the surrounding community (Concessionaire will be responsible for obtaining the required ABC license to serve beer and wine)
- Provide F&B services at reasonable market prices to meet the needs and expectations of the City, park patrons, and the neighboring community
- Provide sufficient levels of party host and kitchen staff to meet public demand
- Maximize patron experience through high-quality and uniquely featured offerings, quality of service, and an attractive ambiance
- Provide recyclable tableware for dine-in and take out orders

## OUTREACH

Marketing of the business opportunity was conducted via: *Daily Journal* advertisement, LAPARKS.org, RAMPLA.org, social media and direct email to operators of similar Arcade and F&B operations in Southern California, including minority-owned businesses. Three companies attended the mandatory pre-proposal conference for the RFP which was conducted via Zoom.

## RESULTS OF THE RFP PROCESS

RAP received one proposal on May 16, 2023, from the SOCP arcade concession incumbent, Butterfield, in response to the RFP. However, Butterfield did not meet the required experience threshold for restaurant operations. Their proposal suggested that they could partner with another entity to provide the F&B service. However, the RFP did not specify that such an arrangement would be acceptable. Therefore, RAP entered into negotiations with SOCPAC to establish this proposed Agreement.

## SOCPAC

SOCPAC was established in November 2023 as a joint partnership between Butterfield and A.J. Family Food Concession, LLC for the purpose of operating the SOCP arcade and F&B concession. Butterfield and A.J. Family Food Concession, LLC share 50% interest in SOCPAC. Butterfield, which has operated arcades for thirty years, will be responsible for the operation and maintenance of the arcade. A.J. Family Food Concessions, LLC, which has twenty-five years

of experience in the F&B industry and currently operates the café, will operate and maintain the F&B portion of the concession.

RAP's intent when negotiating with SOCPAC was ensuring that: (1) the minimum financial and operational terms of the RFP were met; and (2) elements of the proposal submitted by Butterfield were captured in this Agreement.

Butterfield has a stable fiscal history, which involved among other things, operating the SOCP arcade in partnership with RAP for more than 15 years. In 2023, Butterfield generated \$1,121,112 in arcade revenue-share to RAP and since January 2024, has generated \$863,655 and expected to exceed \$1 million dollars in revenue-share by year's end. Since opening in August 2023, A.J. Family Food Concession, LLC has successfully operated the F&B concession and has generated of \$77,528 in revenue to RAP.

SOCPAC also demonstrated a sound business, management and operations plan, as well as the experience and ability to execute such plan. Their proposed menu and pricing plan includes a variety of healthy food options such as kosher, vegetarian and gluten free selections and is within the local market comparable pricing range. Their proposal described a robust training and customer service plan and SOCPAC has maintained a congenial relationship with RAP's on site staff on site who operate the mini-golf attraction.

SOCPAC's strong financial performance and high levels of customer satisfaction, along with the longevity of RAP's successful partnership with the proposers, support RAP's recommendation that SOCPAC is well qualified to successfully manage, operate and sustain the concession by continuing to provide state of the art arcade games and a variety of delicious and healthy food options for SOCP patrons.

## DEAL POINTS

### Term

The proposed Agreement provides for a term of ten years with one five-year option to extend, exercisable at the sole discretion of RAP's General Manager.

### Revenue Share

For the arcade operation, the RFP required a Minimum Annual Guarantee (MAG) of \$800,000 and a Minimum Percentage of Gross Receipts (PGR) of forty-five percent for arcade rentals and filming and ten percent for all other arcade retail sales, but encouraged a higher proposed amount for additional consideration. SOCPAC proposed a higher MAG of \$1,000,000, which is \$200,000 above the RFP requirement, and proposed the minimum required PGR of forty-five percent for arcade rentals and filming and ten percent for miscellaneous arcade retail sales.

For the F&B operation, the RFP required a MAG of \$25,000 and a minimum PGR of ten percent for food and non-alcoholic beverages, fifteen percent for birthday party and group package sales, and twelve percent for alcohol sales. SOCPAC proposed a higher MAG of \$40,000, which is

\$15,000 above the RFP requirement and proposed the minimum required PGR of ten percent for food and non-alcoholic beverages, fifteen percent for birthday party and group package sales, and twelve percent for alcohol sales.

### Improvements

The concession improvements will consist of the following:

- Arcade: SOCPAC proposed to invest in improvements to the SOCP arcade, kitchen and dining areas. This includes remodeling the men's and women's restrooms, including new restroom fixtures and using graffiti resistant materials. Improvements will be made to expand the dining area to create a clear line of sight from the cafe dining area into the arcade area. SOCPAC will install as many as fifty upgraded arcade features, including video games, simulators, attractions and redemption kiosks.
- F&B: The F&B improvements include upgrading the kitchen flooring to commercial grade level and repainting the interior of the dining room and kitchen (excluding murals). Other upgrades include a commercial triple stacked pizza oven and new dining room tables and chairs. Television screens will be installed in the dining area for viewing and menu display. Additional equipment includes fryers, a flat top grill, an ice maker, a refrigerated food preparation station, a point of sale system, and walk-in refrigerator and freezer. SOCPAC will be responsible for any other improvements required by the Los Angeles Department of Health Services in order to operate the F&B concession.

SOCPAC will invest the following minimum amounts as proposed:

Arcade	\$1,160,000
F&B	<u>\$78,500</u>
<b>Total</b>	<b>\$1,238,500</b>

### ENVIRONMENTAL IMPACT

The proposed Project consists of issuance of a license to use an existing facility involving negligible or no expansion of use, minor alterations of existing public structures such as interior alterations involving such things as interior partitions, plumbing, and electrical conveyances and placement of minor structures accessory to (appurtenant to) existing institutional facilities

According to the parcel profile report retrieved September 15, 2023, the Project area resides in a liquefaction zone. This Project will not create conditions that could lead to liquefaction. This site is not within a coastal, methane, or historic zone, so there is no reasonable possibility that the proposed Project may impact an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of September 15, 2023, the State Department of Toxic Substances Control (DTSC) (Envirostor at [www.envirostor.dtsc.ca.gov](http://www.envirostor.dtsc.ca.gov)) and the State Water Resources Control Board (SWCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site, but listed

Local Case # XS001662 near the Project area (within 1,000 feet). This case – which was closed by the Regional Water Quality Control Board in 2007 – concerned a leaking underground storage tank. According to the Caltrans Scenic Highway Map there is no scenic highway located within the vicinity of the proposed Project or within its site. Furthermore, the proposed Project is not located in proximity of a known historical resources and will not cause a substantial adverse change in the significance of any historical resource.

Based in this information, staff recommends that the Board determine that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Sections 15301 and 15311 of California CEQA Guidelines and Article III, Section 1, Class 1(1), Class 1(14) and Class 11(6) of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk and the Governor's Office of Land Use and Climate Innovation upon Board's approval.

#### FISCAL IMPACT STATEMENT

The proposed Agreement guarantees minimum annual revenue to RAP of \$1,040,000. Based on historical trends, the revenue share projection for the primary ten-year term is approximately \$16,500,000.

#### STRATEGIC PLAN ITINTIATIVES AND GOALS

Approval of this Report advances RAP's Strategic Plan by supporting:

**Goal No. 6:** Build Financial Strength & Innovative Partnerships

**Outcome No. 2:** Improved management of rental facilities and concessions

**Result:** The approval of this Report will allow park visitors and the neighboring community to continue to enjoy the arcade and F&B concession while generating significant revenue to RAP.

If CITY pays any sum or incurs any obligations or expense which CONCESSIONAIRE has agreed to pay or reimburse CITY for, or if CITY is required or elects to pay any sum or to incur any obligations or expense by reason of the failure, neglect, or refusal of CONCESSIONAIRE to perform or fulfill any one or more of the conditions, covenants, or agreements contained in the AGREEMENT, or as a result of an act or omission of CONCESSIONAIRE contrary to said conditions, covenants, and agreements, CONCESSIONAIRE agrees to pay to CITY the sum so paid or the expense so incurred, including all interest, costs, (including CITY's 15% administrative overhead cost), damages, and penalties. This amount shall be added to the rental payment thereafter due

hereunder, and each and every part of the same shall be and become additional rental payment, recoverable by CITY in the same manner and with like remedies as if it were originally a part of the basic rental payment set forth in Section 8 hereof.

- B. For all purposes under this Section, and in any suit, action, or proceeding of any kind between the parties hereto, any receipt showing the payment of any sum by CITY for any work done or material furnished shall be prima facie evidence against CONCESSIONAIRE that the amount of such payment was necessary and reasonable. Should CITY elect to use its own personnel in making any repairs, replacements, and/or alterations, and to charge CONCESSIONAIRE with the cost of same, receipts and timesheets will be used to establish the charges, which shall be presumed to be reasonable in absence of contrary proof submitted by CONCESSIONAIRE.
- C. Use of the PREMISES for purposes not expressly permitted herein, whether approved in writing by RAP or not, may result in additional charges; however, any such use without the prior written approval of RAP shall also constitute a material breach of AGREEMENT and is prohibited.

## **SECTION 10. MAINTENANCE OF PREMISES**

During all periods that the PREMISES are used or are under the control of CONCESSIONAIRE for the uses, purposes, and occupancy aforesaid, CONCESSIONAIRE shall be responsible for all necessary janitorial duties and damage/maintenance repairs, to the satisfaction of RAP. The cause of said maintenance, cleaning and repairs may result from normal wear and tear, as well as vandalism.

### **A. Interior of Premises**

#### **1. Areas to be maintained by CONCESSIONAIRE:**

CONCESSIONAIRE shall, at its own expense, keep and maintain all the interior walls and surfaces of PREMISES and all improvements, fixtures, and utility systems which may now or hereafter exist thereon, whether installed by CITY or CONCESSIONAIRE. Improvements shall include all buildings and appurtenances recessed into or attached by any method to the ground or to another object which is recessed or attached to the ground or to other CITY- owned facilities (buildings, fences, posts, signs, electrical hook-ups, tracks, tanks, etc.).

CONCESSIONAIRE shall provide all maintenance, repair, and service required on all interior areas, surfaces, and equipment used in the PREMISES and keep such equipment in good repair and in a clean and orderly condition and appearance. CONCESSIONAIRE shall also be responsible for electrical, mechanical, and maintenance in the interior of the PREMISES, such as lighting fixtures, faucet, spigots; however, CITY shall be responsible for maintenance of utility lines and drains within the walls and floors of the concession PREMISES. Insofar as sanitation and appearance of the PREMISES is concerned, RAP may direct CONCESSIONAIRE to perform necessary repairs and maintenance to the interior of the structure or to the equipment, whether the equipment is CONCESSIONAIRE or CITY property.

2. Duties:

CONCESSIONAIRE's maintenance duties shall include all sweeping, washing, servicing, repairing, replacing, cleaning, and painting that may be required to properly maintain the PREMISES in a safe, clean, operable, and attractive condition. CONCESSIONAIRE shall provide for such repairs, replacements, rebuilding, and restoration as may be required by or given prior written approval by RAP to comply with the requirements hereof. Those duties shall also include electrical, mechanical, and maintenance such as light fixtures in the interior of the PREMISES.

**B. Exterior of Premises and Common Passageways**

CITY shall maintain the exterior of all buildings and will endeavor to perform all exterior repairs occasioned by normal wear and tear, and the elements, unless otherwise provided for in the AGREEMENT. Common passageways leading to other CONCESSION facilities or offices maintained by CITY which also lead to the PREMISES shall not be considered under the control of CONCESSIONAIRE for purposes of this Section. In addition, CITY shall be responsible for maintenance of the lawn area within the perimeter of the PREMISES, including mowing and watering, and shall maintain all existing landscaping, trees, and bushes on the PREMISES. CITY shall also maintain the existing water, drain and sewer systems, provided, however, that CONCESSIONAIRE shall make every effort not to clog such systems with manure or other debris from all operations.

**C. Correction of Conditions Leading to Damage**

If CONCESSIONAIRE fails, after written notice, to correct such conditions which have led or, in the opinion of CITY, could lead to significant damage to CITY property, RAP may at its option, and in addition to all other remedies which may be available to it, repair, replace, rebuild, redecorate or paint any such PREMISES included in said notice, with the cost thereof, plus 15% for administrative overhead, to be paid by CONCESSIONAIRE to CITY on demand. If, for any reasons, payment of such fees becomes delinquent, RAP may, in its sole discretion, suspend the AGREEMENT and all terms and conditions contained therein.

**D. Property Damage and Theft Reporting**

CONCESSIONAIRE shall complete and submit to RAP a "Special Occurrence and Loss Report" (Exhibit F) in the event that the PREMISES and/or CITY-owned property is damaged or destroyed, in whole or in part, from any cause whatsoever, and in the event of theft, burglary, or other crime committed on the PREMISES. Blank forms for this purpose shall be provided by RAP.

**E. Damage or Destruction to Premises**

**1. Partial Damage**

If all or a portion of the PREMISES is partially damaged by fire, explosion, flooding inundation, floods, the elements, public enemy, or other casualty, but not rendered uninhabitable, the same will be repaired with due diligence by CITY at its own cost and expense, subject to the limitations as hereinafter provided; if said damage is caused by the negligent acts or omissions of CONCESSIONAIRE, its agents, officers, or employees, CONCESSIONAIRE shall be responsible for reimbursing CITY for the cost and expense incurred in making such repairs.

2. **Extensive Damage**

If the damages as described above in "Partial Damage" are so extensive as to render the PREMISES or a portion thereof uninhabitable, but are capable of being repaired within a reasonable time not to exceed sixty (60) days, the same shall be repaired with due diligence by CITY at its own cost and expense and a negotiated portion of the fees and charges payable hereunder shall abate from the time of such damage until such time as the PREMISES are fully restored and certified by RAP as again ready for use; provided, however, that if such damage is caused by the negligent acts or omissions of CONCESSIONAIRE, its agents, officers, or employees, said fees and charges will not abate and CONCESSIONAIRE shall be responsible for the cost and expenses incurred in making such repairs.

3. **Complete Destruction**

In the event all or a substantial portion of the PREMISES are completely destroyed by fire, explosion, the elements, public enemy, or other casualty, or are so damaged that they are uninhabitable and cannot be replaced except after more than sixty days, CITY shall be under no obligation to repair, replace or reconstruct said PREMISES, and an appropriate portion of the fees and charges payable hereunder shall abate as of the time of such damage or destruction and shall henceforth cease until such time as the said PREMISES are fully restored. If within four months after the time of such damage or destruction said PREMISES have not been repaired or reconstructed, CONCESSIONAIRE may terminate this AGREEMENT in its entirety as of the date of such damage or destruction. Notwithstanding the foregoing, if the said PREMISES, or a substantial portion thereof, are completely destroyed as a result of the negligent acts or omissions of CONCESSIONAIRE, its agents, officers, or employees, said fees and charges shall not abate and CITY may, in its discretion, require CONCESSIONAIRE to repair and reconstruct the same within twelve months of such destruction and CONCESSIONAIRE shall be responsible for reimbursing CITY for the cost and expenses incurred in making such repairs. CONCESSIONAIRE shall continue paying CITY rent as determined above during the rebuilding of the FACILITIES.

4. **Limits of CITY'S Obligation Defined**

In the application of the foregoing provisions, CITY may, but shall not be obligated to, repair or reconstruct the PREMISES. If CITY chooses to do so, CITY's obligation shall also be limited to repair or reconstruction of the PREMISES to the same extent and of equal quality as obtained by CONCESSIONAIRE at the commencement of its operations hereunder. Redecoration and replacement of furniture, equipment and supplies shall be the responsibility of CONCESSIONAIRE and any such redecoration and refurnishing/reequipping shall be equivalent in quality to that originally installed.

F. **Pest Control**

Unless otherwise specified in the AGREEMENT, CONCESSIONAIRE shall be responsible for pest control in and around the PREMISES, including but not limited to, abatement of insects (including roaches, bees, flies etc.), spiders, rodents, vermin, and other nuisance pests, if the pests are found in or on structures or areas used and

maintained by CONCESSIONAIRE, such as any of the following portions of the PREMISES:

1. Any portion of a building or enclosed structure with walls, roof, and doors, such as storage facilities, office space, storage containers owned and/or used by CONCESSIONAIRE.
2. Other areas, structures, or facilities adjacent to the PREMISES, but not used by or under the control of CONCESSIONAIRE; or areas, structures, or facilities shared by CONCESSIONAIRE and RAP.

Pest control for pests which may cause permanent structural damage to RAP property (for example, termite infestation) shall be the responsibility of CITY. CONCESSIONAIRE shall take all reasonable measures to reduce the proliferation of pests, including maintaining the PREMISES clean and orderly in accordance with this Section, and keeping wood components painted. RAP may direct CONCESSIONAIRE to take additional measures to abate pests which are an immediate threat to public health or safety.

#### **SECTION 11. PROHIBITED ACTS**

CONCESSIONAIRE shall not:

1. Use the PREMISES to conduct any other business operations of CONCESSIONAIRE not related to the CONCESSION.
2. Do or allow to be done anything which may interfere with the effectiveness or accessibility of utility, heating, ventilating, or air conditioning systems or portions thereof on the PREMISES or elsewhere on the PREMISES, nor do or permit to be done anything which may interfere with free access and passage to the PREMISES or the public areas adjacent thereto, or in the streets or sidewalks adjoining the PREMISES, or hinder police, fire fighting or other emergency personnel in the discharge of their duties.
3. Interfere with the public's enjoyment and use of the FACILITIES or use the PREMISES for any purpose which is not essential to the CONCESSION operations.

5. Overload any grounds in the PREMISES.
6. Place any additional lock of any kind upon interior or exterior doors in the PREMISES, or make any change to any existing doors or window locks or the mechanism thereof, unless a key is maintained on the PREMISES, nor refuse, upon the expiration or sooner termination of the AGREEMENT, to surrender to RAP any and all keys to the interior and exterior doors on the PREMISES, whether

said keys were furnished to or otherwise procured by CONCESSIONAIRE, and in the event of the loss of any keys furnished by RAP, CONCESSIONAIRE shall pay CITY, on demand, the cost for replacement thereof.

7. Do or permit to be done any act or thing upon the PREMISES which will invalidate, suspend or increase the rate of any insurance policy required under the AGREEMENT, or carried by CITY, covering the PREMISES, or the buildings in which the same are located or which, in the opinion of RAP, may constitute a hazardous condition that will increase the risks normally attendant upon the operations contemplated under the AGREEMENT, provided, however, that nothing contained herein shall preclude CONCESSIONAIRE from bringing, keeping or using on or about the PREMISES such materials, supplies, equipment and machinery as are appropriate or customary in carrying on its business, or from carrying on said business in all respects as is customary.
8. Use, create, store or allow any hazardous materials as defined in Title 26, Division 19.1, Section 19-2510 of the California Code of Regulations, or those which meet the criteria of the above Code, as well as any other substance which poses a hazard to health and environment, provided, however, that nothing contained herein shall preclude CONCESSIONAIRE from bringing, keeping or using on or about the PREMISES such materials, supplies, equipment and machinery as are appropriate or customary in carrying on its business, or from carrying on said business in all respects as is customary except that all hazardous materials must be stored and used in compliance with all City, State and Federal rules, regulations, ordinances and laws.
9. Allow any sale by auction upon the PREMISES.
10. Permit undue loitering on or about the PREMISES.
11. Use the PREMISES in any manner that will constitute waste.

### **B. Form of Deposit**

CONCESSIONAIRE's Performance Deposit shall be in the following form:

A cashier's check drawn on any bank that is a member of the Los Angeles Clearing

House Association, which cashier's check is payable to the order of the City of Los Angeles.

C. **Agreement of Deposit and Indemnity**

CONCESSIONAIRE unconditionally agrees that in the event of any default, CITY shall have full power and authority to use the Performance Deposit in whole or in part to indemnify CITY. All deposits of checks must be immediately so deposited by RAP.

D. **Maintenance of Deposit**

Said Performance Deposit shall be held by CITY during the entire term of the AGREEMENT.

E. **Return of Deposit to CONCESSIONAIRE**

CITY reserves the right to deduct from the Performance Deposit, any amounts up to and including the full amount of the deposit as stated herein, owed to the CITY by CONCESSIONAIRE as shown by any exit audits performed by CITY, or as compensation to CITY for failure to adhere to the terms and conditions of the AGREEMENT.

**SECTION 13. TAXES, PERMITS, AND LICENSES**

- A. CONCESSIONAIRE shall obtain and maintain at its sole expense any and all approvals, permits, or licenses that may be required in connection with the operation of the CONCESSION including, but not limited to, tax permits, business licenses, health permits, ABC license, animal regulation, building permits, police and fire permits, certifications, etc. CONCESSIONAIRE shall perform all necessary coordination to ensure performance of permitted activity.
- B. CONCESSIONAIRE shall pay all taxes of whatever character that may be levied or charged upon the rights of CONCESSIONAIRE to use the PREMISES, or upon CONCESSIONAIRE'S improvements, fixtures, equipment, or other property thereon or upon CONCESSIONAIRE's operations hereunder. In addition, by executing the AGREEMENT and accepting the benefits thereof, a property interest may be created known as "Possessory Interest" and such property interest will be subject to property taxation. CONCESSIONAIRE, as the party to whom the Possessory Interest is vested, may be subject to the payment of the property taxes levied by the State and County upon such interest.
- C. Pursuant to Section 21.3.3 of Article 1.3 of the LAMC Commercial Tenants Occupancy Tax, CONCESSIONAIRE must pay to CITY for the privilege of occupancy, a tax at the rate of \$1.48 per calendar quarter or fractional part thereof for the first \$1,000.00 or less of charges (rent) attributable to said calendar quarter, plus \$1.48 per calendar quarter for each additional \$1,000.00 of charges or fractional part thereof in excess of \$1,000.00. Said tax shall be paid quarterly to RAP, on or before the fifteenth of April, July, October,

January of each calendar year, for the preceding three months. Should the rate of the Occupancy Tax rise at any time during the term of the AGREEMENT, the CONCESSIONAIRE shall be responsible to pay the updated, higher rate.

The charges for late or delinquent payments shall be \$150.00 for each month late plus interest calculated at the rate of 18% per annum, assessed monthly, on the balance of the unpaid amount.

#### **SECTION 14. ASSIGNMENT, SUBLEASE, BANKRUPTCY**

CONCESSIONAIRE shall not under-let or sub-let the subject PREMISES or any part thereof or allow the same to be used or occupied by any other person or for other use than that herein specified, nor assign the AGREEMENT nor transfer, assign or in any manner convey any of the rights or privileges herein granted without the prior written consent of CITY. For purposes of this Section, a change in the majority ownership of CONCESSIONAIRE shall be deemed a transfer or assignment of this AGREEMENT. Neither the AGREEMENT nor the rights herein granted shall be assignable or transferable by any process or proceedings in any court, or by attachment, execution, proceeding in insolvency or bankruptcy either voluntary or involuntary, or receivership proceedings. Any attempted assignment, mortgaging, hypothecation, or encumbering of the CONCESSION rights or other violation of the provisions of this Section shall be void and shall confer no right, title or interest in or to the AGREEMENT or right of use of the whole or any portion of the PREMISES upon any such purported assignee, mortgagee, encumbrancer, pledgee or other lien holder, successor or purchaser.

#### **SECTION 15. BUSINESS RECORDS**

CONCESSIONAIRE shall maintain during the term of the AGREEMENT and for three years thereafter, all of its books, ledgers, journals, and accounts wherein are kept all entries reflecting the gross receipts received or billed by it from the business transacted pursuant to the AGREEMENT. Such books, ledgers, journals, accounts, and records shall be available for inspection and examination by RAP, or a duly authorized representative, during ordinary business hours at any time during the term of this AGREEMENT and for at least three years thereafter.

##### **A. Employee Fidelity Bonds**

At RAP's discretion, adequate employee fidelity bonds may be required to be maintained by CONCESSIONAIRE covering all its employees who handle money.

##### **B. Cash and Record Handling Requirements**

If requested by RAP, CONCESSIONAIRE shall prepare a description of its cash handling and sales recording systems and equipment to be used for operation of the CONCESSION which shall be submitted to RAP for approval.

CONCESSIONAIRE shall be required to maintain a method of accounting which shall correctly and accurately reflect the gross receipts and disbursements received or made by CONCESSIONAIRE. The method of accounting, including bank accounts, established for the CONCESSION shall be separate from the accounting systems used for any other business operated by CONCESSIONAIRE or for recording CONCESSIONAIRE's

personal financial affairs. Such method shall include the keeping of the following documents:

1. Regular books of accounting such as general ledgers.
2. Journals including supporting and underlying documents such as vouchers, checks, tickets, bank statements, etc.
3. State and Federal income tax returns and sales tax returns and checks and other documents proving payment of sums shown.
4. Cash register tapes shall be retained so that day to day sales can be identified. A cash register must be used in public view which prints a dated double tape, indicating each sale and the daily total.
5. Any other accounting records that CITY, in its sole discretion, deems necessary for proper reporting of receipts.

**C. Method of Recording Gross Receipts**

Unless otherwise specified in the AGREEMENT, CONCESSIONAIRE shall obtain and install a cash register(s) on which it shall record all gross sales. The cash register shall be non-resettable and sufficient to supply an accurate recording of all sales on tape. CONCESSIONAIRE shall not purchase or install the cash register before obtaining RAP's written approval of the specific register to be purchased. All cash registers shall have a price display which is and shall remain at all times visible to the public.

In lieu of a cash register as described directly above, the CONCESSIONAIRE may install a computerized Point-of-Sale system, including hardware and software, to record transactions and receipts. Such computerized Point-of-Sale system must be capable of providing paper receipts to patrons, have a price display which is and shall remain at all times visible to the public, and have controls in place to make it equivalent to a non-resettable cash register. CONCESSIONAIRE shall not purchase or install the computerized Point-of-Sale system, including hardware and software, before obtaining RAP's written approval of the specific hardware and software to be purchased.

**D. Annual Statement of Gross Receipts and Expenses**

CONCESSIONAIRE shall transmit a Statement of Gross Receipts and Expenses (Profit and Loss Statement) for the CONCESSION operations as specified in the AGREEMENT, in a form acceptable to RAP, on or before April 30th, of each calendar year during the term of the AGREEMENT. An extension may be granted in writing, prior to the April 30th due date, by RAP provided sufficient verification of the need for the extension is provided, as accepted by RAP. The charge for late or delinquent Statements shall be \$100.00 per month or part thereof late.

In addition, CITY may from time to time conduct an audit and re-audit of the books and businesses conducted by CONCESSIONAIRE and observe the operation of the business so that accuracy of the above records can be confirmed. If the report of gross sales made

by CONCESSIONAIRE to CITY shall be found to be less than the amount of gross sales disclosed by such audit and observation, CONCESSIONAIRE shall pay CITY within thirty days after billing any additional rentals disclosed by such audit. If discrepancy exceeds two percent and no reasonable explanation is given for such discrepancy, CONCESSIONAIRE shall also pay the cost of the audit.

## **SECTION 16. REGULATIONS, INSPECTION, AND DIRECTIVES**

### **A. Constitutional and Other Limits on CONCESSIONAIRE'S Rights to Exclusivity**

4. Any and all applicable Municipal, State and Federal laws and regulations relative to the design and installation of facilities to accommodate disabled persons.

### **C. Permissions**

Any permission required by the AGREEMENT shall be secured in writing by CONCESSIONAIRE from CITY or RAP and any errors or omissions therefrom shall not relieve CONCESSIONAIRE of its obligations to faithfully perform the conditions therein. CONCESSIONAIRE shall immediately comply with any written request or order submitted to it by CITY or RAP.

### **D. Right of Inspection**

CITY and RAP, their authorized representatives, agents and employees shall have the right to enter upon the PREMISES at any and all reasonable times for the purpose of

Park Rangers are specifically designated as CITY agents and are empowered by CITY to conduct inspections of the PREMISES, evaluate CONCESSIONAIRE and inform RAP fully as to CONCESSIONAIRE's conduct of the CONCESSION. During these inspections, they all shall have the right to photograph, film, or otherwise record conditions and events taking place upon the PREMISES. The inspections may be made by persons identified to CONCESSIONAIRE as CITY employees, or may be made by independent contractors engaged by CITY. During the term of the AGREEMENT, CONCESSIONAIRE must submit the MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile, Schedule B (Exhibit I) when submitting the Monthly Remittance Advice. Upon completion of the project, a summary of these records shall be prepared on the "Final Subcontracting Report" form, Schedule C (Exhibit J) and certified correct by CONCESSIONAIRE or its authorized representative. The completed Schedule C shall be furnished to RAP within fifteen (15) working days after completion of the AGREEMENT.

4. CONCESSIONAIRE shall comply with all rules, regulations and policies promulgated by the designated administrative agency, which may be amended from time to time.

Where under the provisions of Section 10.44.13 of the LAAC the DAA has determined that the CONCESSIONAIRE intentionally violated or used hiring practices for the purpose of avoiding the article, the determination must be documented in the Awarding Authority's Contractor Evaluation, required under LAAC Section 10.39 et seq., and must be documented in each of the CONCESSIONAIRE's subsequent Contractor Responsibility Questionnaires submitted under LAAC Section 10.40 et seq. This measure does not limit CITY's authority to act under this article.

Under the provisions of Section 10.44.8 of the LAAC, the Awarding Authority shall, under appropriate circumstances, terminate this AGREEMENT and otherwise pursue legal remedies that may be available if the DAA determines that the subject CONCESSIONAIRE has violated provisions of the FSHO.

Upon termination of this AGREEMENT other than by forfeiture, CONCESSIONAIRE shall quit and surrender possession of the PREMISES to CITY and shall, without cost to CITY, remove any and all works, structures, or other improvements owned by CONCESSIONAIRE and restore the PREMISES to the same or as good condition, ordinary wear and tear excepted, as the same were in it at the time of the first occupancy, thereof by CONCESSIONAIRE under this or any prior agreement or lease. ## STANDARD PROVISIONS FOR CITY CONTRACTS

### **PSC-1. Construction of Provisions and Titles Herein**

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### **PSC-2. Applicable Law, Interpretation and Enforcement**

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### **PSC-3. Time of Effectiveness**

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

#### **PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

#### **PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

#### **PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

#### **PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

#### **PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services

suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

#### **PSC-9. Termination**

##### **A. Termination for Convenience**

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

##### **B. Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

#### **PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

#### **PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

#### **PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

#### **PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

#### **PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

#### **PSC-15. Current Los Angeles City Business Tax Registration Certificate Required**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

#### **PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

#### **PSC-21. Ownership and License**

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

**CONTRACTOR** shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

## **PSC-22. Data Protection**

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

## **PSC-23. Insurance**

During the term of this Contract and without limiting **CONTRACTOR’S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY’S** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

## **PSC-24. Best Terms**

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

**PSC-25. Warranty and Responsibility of Contractor**

**CONTRACTOR** warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

**PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment**

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

- A. **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and **CITY**. In performing this Contract, **CONTRACTOR** shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person's race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.
- B. The requirements of Section 10.8.2.1 of the LAAC, the Equal Benefits Ordinance, and the provisions of Section 10.8.2.1(f) are incorporated and made a part of this Contract by reference.
- C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the "Equal Employment Practices" provisions of this Contract.
- D. The provisions of Section 10.8.4 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the "Affirmative Action Program" provisions of this Contract.

Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-27. Child Support Assignment Orders**

**CONTRACTOR** shall comply with the Child Support Assignment Orders Ordinance, Section 10.10 of the LAAC, as amended from time to time. Pursuant to Section 10.10(b) of the LAAC, **CONTRACTOR** shall fully comply with all applicable State and Federal employment reporting requirements. Failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract. Failure of **CONTRACTOR** or principal owner to cure

the default within 90 days of the notice of default will subject this Contract to termination for breach. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-28. Living Wage Ordinance**

**CONTRACTOR** shall comply with the Living Wage Ordinance, LAAC Section 10.37 *et seq.*, as amended from time to time. **CONTRACTOR** further agrees that it shall comply with federal law proscribing retaliation for union organizing. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-29. Service Contractor Worker Retention Ordinance**

**CONTRACTOR** shall comply with the Service Contractor Worker Retention Ordinance, LAAC Section 10.36 *et seq.*, as amended from time to time. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-30. Access and Accommodations**

**CONTRACTOR** represents and certifies that:

- A. **CONTRACTOR** shall comply with the Americans with Disabilities Act, as amended, 42 U.S.C. Section 12101 *et seq.*, the Rehabilitation Act of 1973, as amended, 29 U.S.C. Section 701 *et seq.*, the Fair Housing Act, and its implementing regulations and any subsequent amendments, and California Government Code Section 11135;
- B. **CONTRACTOR** shall not discriminate on the basis of disability or on the basis of a person's relationship to, or association with, a person who has a disability;
- C. **CONTRACTOR** shall provide reasonable accommodation upon request to ensure equal access to **CITY**-funded programs, services and activities;
- D. Construction will be performed in accordance with the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. Part 40; and
- E. The buildings and facilities used to provide services under this Contract are in compliance with the federal and state standards for accessibility as set forth in the 2010 ADA Standards, California Title 24, Chapter 11, or other applicable federal and state law.

**CONTRACTOR** understands that **CITY** is relying upon these certifications and representations as a condition to funding this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-31. Contractor Responsibility Ordinance**

**CONTRACTOR** shall comply with the Contractor Responsibility Ordinance, LAAC Section 10.40 *et seq.*, as amended from time to time.

**PSC-32. Business Inclusion Program**

**CONTACT** For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at [www.lacity.org/cao/risk](http://www.lacity.org/cao/risk). The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low-cost alternative for contractors who are unable to obtain City-required insurance.

### **CONTRACTUAL REQUIREMENTS**

#### **CONTRACTOR AGREES THAT:**

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

**7. California Licensee.** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

**8. Aggregate Limits/Impairment.** If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

**9. Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

## **B. Business Plan**

### **Business Mission**

To provide food and beverage services at a reasonable market price to meet the needs and expectations of the Department of Recreation and Parks (RAP), park patrons, and the neighboring community. More specifically, our mission is to generate the highest possible revenue for the concessionaire and the City of Los Angeles while maintaining the cleanliness and the appearance of the concession to the satisfaction of RAP and meet the standards of the industry.

### **Past Performance**

Since 1993, Butterfield Games, Inc. has been involved in the arcade business. For over 30 years, we have operated the daily management of our arcade location by creating a fun and safe environment for our patrons. Both Operation Managers Matt Mazzaroli and Elias Perez have extensive experience in this industry and continue to improve their operations. Similarly, Asmir Cirkic is a veteran in the Family Entertainment and Attraction Industry with over 25 years of experience. By managing the food and beverage department of various arcades for over a decade, his experience is a great asset to maintaining operations.

### **Available Capital**

Our business has various bank accounts with the following institutions:

Union Bank	\$
U.S. Bank	\$
Bank of America	\$

We also have personal lines of credit available if necessary. We do not need any other resources to support our operation.

### **Proposed Services**

The arcade and café are part of a family entertainment center in Sherman Oaks. We strive to provide a place that anyone of any age or background can relax and enjoy. We have everything from basketball, to driving games, to VR, and even a laser maze. We strive to continue to offer the best prizes for redemption available in the industry. Elias's gas receipts will prove how much time he spends driving around Los Angeles to meet with specific vendors and go beyond tootsie rolls and stuffed animals you see at most arcades. We strive to market to people from the neighborhood and keep it more affordable than our competition. We are continually purchasing new games and moving

them around to make sure there is something new you notice each time you come in. I would bet you a pair of Dodgers tickets that no other arcade is kept as clean and well maintained as ours, and that no one generates more revenue per square foot. staff. Our tech manager utilizes Monday through Friday to fix game issues and order and receive parts to ensure all games are fully operational for our guests. Our administrative manager completes all administrative duties to ensure that business operations run smoothly at all times. Fridays are utilized for all game and game floor resolutions, scheduling, and last of deposit pickups until the following week. Staffing will be increased on weekends, federal holidays and LAUSD calendar breaks to accommodate for busier time periods. For example, during federal holidays and school breaks, we require an employee at every station (Prize Counter, Chaos Jump, Raid, and Outdoor Hoops) with a register to better assist our higher volume of customers.

All applicants between the ages of 16 and 17 must have a valid work permit. Applicants will go through an extensive hiring process in order to find suitable staff to fit business needs. As an Equal Opportunity Employer, Butterfield Games does not discriminate on the basis of Race, Color, Religion, Sex (including pregnancy, gender identity, and sexual orientation), Age, Nationality, and Disability.

## **Maintaining and Monitoring Customer Satisfaction**

Our commitment to customers and the increase in customer satisfaction is one of Butterfield Games' main principles. There are several factors that contribute to achieving high levels of satisfaction.

### **I. Customer Service Skills**

Through extensive one on one training and close supervision, we are able to provide employees with the necessary skills in providing exceptional customer service. By establishing clear communication skills, patience, and problem solving, we are able to enhance visitors' experience.

### **II. Feedback and Improvement**

Direct feedback helps us understand and recognize customer satisfaction and dissatisfaction. In the event that a guest has a concern and is not immediately able to speak with a manager, employees will provide the customer with manager contact information. This is through listening to our guests, addressing their concerns, and ensuring that we are able to resolve any issue. Social media and third party websites (Yelp, Google) are another means of interacting with our customers.

### **III. Employee Incentives**

In order to encourage employee academic growth, we offer flexible scheduling (part time and full-time jobs, day and night shift flexibility). Employees are given a competitive wage. Award programs are implemented to recognize employees with outstanding customer service performances within a certain time period.

### **IV. Cleanliness of Operations**

Maintaining a clean and safe environment is key to any successful customer experience. Butterfield Games employees follow a rigorous cleaning schedule that consists of a daily specific cleaning program by periodically wiping down games and machines and walking the floor for trash or loose items that can lead to injury (for a more detailed explanation of our cleaning program, please see Attachment D - Butterfield Games Training Manual).

### **V. Customer Relations**

To increase guest relations, we believe that developing a relationship and understanding with our community and guests is vital to improve our operation. We achieve this through conversations with our customers where they inform employees what they would like to see on our game floor and redemption counter. By knowing what our clients are interested in, we are able to supply excellent products such as the latest gaming consoles, home entertainment, lifestyle accessories, and latest trends in order to entice the frequency of return.

## Staff Expectations

As part of our professional image, we should always appear and behave appropriately. Your appearance plays an important role in our goal to exceed our Guest expectations. We strive to present a consistently clean, neat, and approachable image to our Guests.

### Name Tags

- Names tags must be worn while working in any Guest Area, as they are an important part of our wardrobe requirements and contribute to positive Team Member interactions.
- Wearing a name tag not only identifies you to our Guests as a Team Member, but it also provides an additional element of service by identifying your name.
- Your first name tag will be given to you. Should you lose your name tag, you must obtain a replacement ID from your General Manager.
- Keep your name tag “Show Ready” and obtain a replacement if damaged.
- Please do not wear your name tag if you are visiting the park as a Guest.

### Personal Hygiene

- Due to close contact with our Guests and fellow Team Members, we expect everyone to be neat and clean, and to practice good physical and oral hygiene.

### Cell Phones and Electronic Devices

- The use of personal mobile communication or electronic devices is prohibited while on duty in Guest areas and/or on the clock. These devices must not be visible and are to be in silent mode. In no way should electronic devices interrupt your interactions with Guests and fellow Team Members.
- For safety reasons you may not listen to digital devices and wear headphones or earbuds in Guests areas.

### Shoes

- All Team Members, unless otherwise advised, are required to provide their own shoes for work.
- Shoes must be clean and in good condition.
- The shoes must be a solid color, white, black, or brown and have matching shoelaces.
- Shoes may be branded but may not have excess branding from their manufacturers.

### Hair

- Hair must be neat and clean in appearance. Many hairstyles are acceptable and it is not possible to address every acceptable style nor detail what constitutes a neat and clean appearance.
- We do not permit extreme styling. Hats / visors must sit naturally on the forehead.
- Hair that covers one or both eyes is not acceptable, nor safe for operations.

## **3. Customer Service Plan**

### **Customer Service**

- Performance in any field is guided by a few core principles. That also holds true for customer service. The core customer service principles are as follows:
  - **Speed:** Speed or responsiveness shows up in almost all studies as a main determinant for service quality .
  - **Accuracy:** Besides being fast, your service answers should, obviously, be correct.

- o **Clarity:** Clarity is about how processable your communication is. When accuracy is the what, clarity is the how.
- o **Friendliness:** That brings us to the human side of the equation. All services are based on human-to-human communication, even the self-help kind. Human interaction can have a great positive or negative impact on the experience.

## Daily Operation

### 10 and 5 Rule

- The 10 and 5 rule is a simple reminder to consistently greet people that you encounter.
- When customers are 10 feet away from you, use a non-verbal greeting such as a smile or a wave.
- When customers are 5 feet away from you, greet them verbally.
- Why is the 10 and 5 rule important and effective? Because it reminds you to walk with your head up while looking for opportunities to serve. It creates a “customer service zone” around you that makes you more approachable and may lead you to find an unexpected service opportunity.

## 4. Employee Training

Once hired, employees will go through an ample training program with a manager set to prepare new hires as efficiently as possible. Employees will be taught the skills and duties of an arcade attendant such as: customer service, cash handling, credit card payments, game troubleshooting, routine maintenance, redemption, embed system, customer and employee safety.

\* For a detailed description of our employee training procedures, please see the Employee Training Manual in Attachment D.

## **5. Facility Maintenance Plan**

### **Concession Improvement Plan**

#### **I. Replace Current Flooring**

In an attempt to revamp the facilities appearance, we would like to replace all carpet flooring for indoor facilities including the arcade room, city office, arcade tech office, and snack bar office. Astro Carpet Mills is a leading manufacturer of printed carpets for family entertainment centers that offers a wide selection of customized carpets. Installing a fresh and new carpet will aid us in leaving an outstanding impression on anyone that walks through the facility.

<https://astrocarpetmills.com/family-entertainment>

#### **II. Restroom Remodel**

Maintaining a clean and safe environment is our utmost priority which is why we would like to renovate the current restroom facilities. Integrating the latest anti-graffiti distress steel tiles would eliminate vandalism. Reconfiguring the mens restroom would improve the overall layout of the restroom by ensuring privacy of anyone utilizing the urinals.

#### **III. Rewire facility for High Speed Internet**

Butterfield Games would like to introduce fiber optic internet to the facility in order to reach larger customer volumes with faster processing times. The current internet speed can be improved and with this updated technology, we would be capable of better servicing our community.

#### **IV. Ambience Lighting**

Butterfield Games would like to revolutionize the arcade industry by immersing our guests with advanced optics creating a cosmic arcade ambience. These moving head LEDs will illuminate our new carpets and equipment and are capable of synchronizing with all sound, as well as projecting messages and imagery of our choice.

### Deliveries, Storage, Trash Removal, and Recycling

Our company's protocol is to take out the garbage at the end of every shift and when the receptacle is full. The city handles the garbage pick up.

### Rodent and Pest Mitigation

The city handles all rodent and pest mitigation.

## **6. Hours**

### Hours of Operation

- Hours of operation, including holidays, are determined by the management of Sherman Oaks Castle Park.
- We are available for private parties after or before normal operating hours.

## Customer Service Improvement Plan

### LRS Connect for Customer Engagement

LRS Connect is a customer engagement platform that provides the ability to rapidly deploy a fully integrated solution. It reduces wait times and increases revenue for all park businesses. The cloud-based platform allows our business to communicate with our guests via a SMS text. LRS Connect informs the guests the wait time they can expect and holds their place in line without physically waiting in a line. This can also allow our guests to enjoy all other activities the park has to offer.

## **Food and Beverage Improvement Plan**

### **Proposed Food and Beverage Services**

The company is prepared to provide food and beverage services through a concession stand located at Sherman Oaks Castle Park. The menu will include quality food and beverage items with reasonable pricing appropriate for the concession. We will be serving snack bar food such as Pizza, Drinks, Hamburgers, Fries, etc. We also plan on bringing in an ICEE machine to sell ICEE drinks. A full menu with a wide variety has been included in Section E - Menu Concept . Kosher food will be available for parties and groups with an advanced order. The service time for Beer and Wine will be determined by the management of Sherman Oaks Castle Park and the terms of our ABC license.

### **Proposed Café Improvements**

Café improvements would include, but not be limited to, fresh paint with a new color scheme. We would add new tables and chairs to the existing seating area. We plan on updating the floor with new tiles. Televisions would be added to the snack bar with a satellite package to showcase the top sporting events and any important events. We also plan on adding new equipment and keeping the café up to health code standards. We plan on opening the window and adding a second register to allow additional ordering areas for food, to make service faster, increase revenue, and to provide better customer service and satisfaction. We are planning on staffing the window during the peak time periods at the Café. Furthermore, we plan on adding mobile ordering with QR codes for faster customer service as it gives the customers on the golf course the advantage of ordering ahead while they are playing their game. We are planning to add an ICEE Machine, Dippin Dots Freezer, and Ice Cream. We are planning on adding kosher food to the menu as well as health-conscious menu items such as salads, fruit cups and gluten free pizza crust.

### **Proposed new café equipment:**

- Triple stacked pizza Oven
- Refrigerated Merchandiser
- Heavy Duty Microwave
- Commercial Coffee Machine
- Popcorn Machine
- Hot Dog Roller
- Nacho Cheese and Chili Warmer
- Flat Grill Top
- Ice Maker
- ICEE Machine
- Fryer
- Prep Table
- Dip N Dots

## Business Goals and Objectives

### Short Term

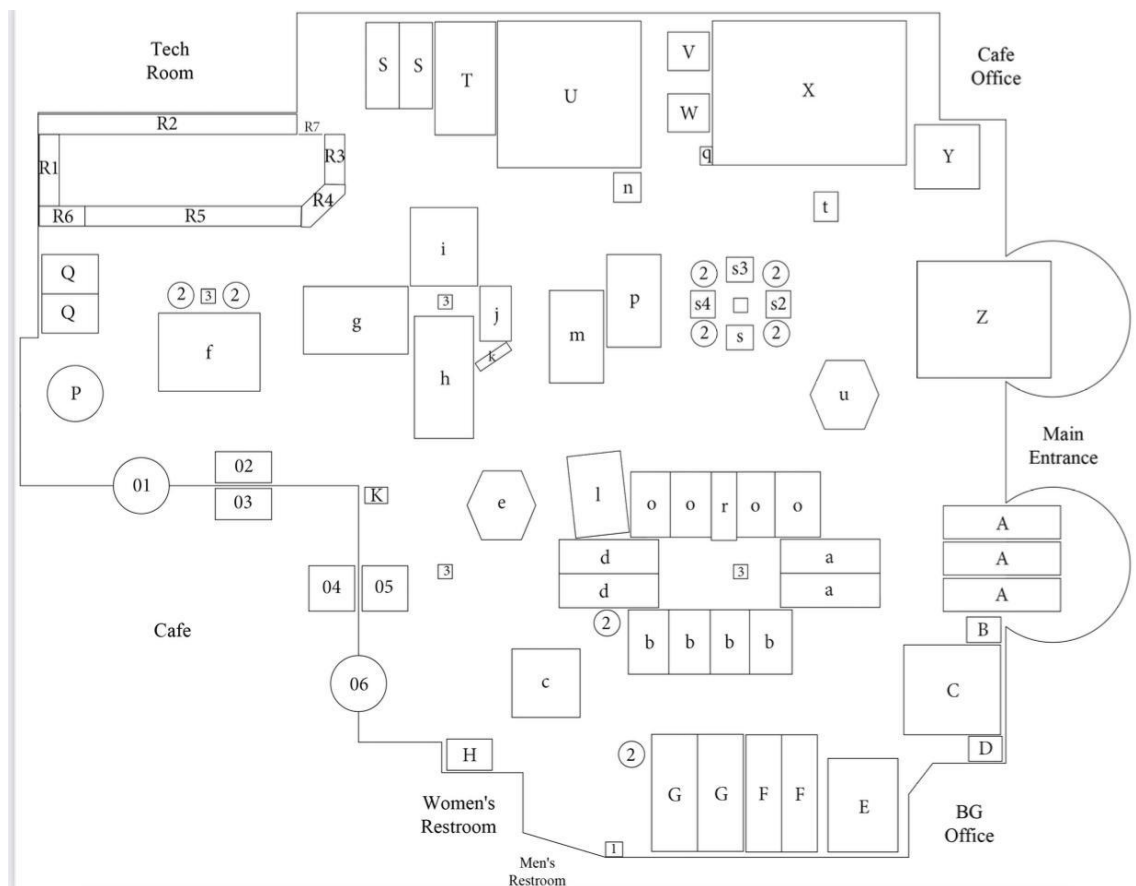

- Increase daily net sales.
- Improve employee productivity.
- Improve top selling items.
- Introducing new menu items.

### Long Term

- Increase monthly net sales
- Improve employee performance.
- Community involvement/engagement increase profit and revenue

## Improvements to the Arcade Area

## Floor Plan

Re-configure the layout area in between the cafe and arcade perimeter (games 01, 02, 03, 04, 05, 06) in order to provide an open concept floor plan. This creates multiple entry and exit points by removing the fence that currently divides the cafe from the arcade. By placing games 02 and 03, 04 and 05, back to back, we can accommodate

more walkways for guests to walk freely and ultimately cut down line time. In addition, this will allow a clear line of sight from the dining area into the arcade room.

### **Restroom Remodel**

Maintaining a clean and safe environment is our utmost priority which is why we would like to renovate the current restroom facilities. Integrating the latest anti-graffiti distress steel tiles would eliminate vandalism. Reconfiguring the mens restroom would improve the overall layout of the restroom by ensuring privacy of anyone utilizing the urinals.

### **Improvements to Kitchen Area**

The improvements to the kitchen area will consist of an upgraded flooring in the kitchen and dining room area to commercial grade kitchen level as approved by the L.A County Department of Health Services. We will repaint the interior of the dining room and kitchen area. We will be getting a commercial grade triple stacked pizza oven, commercial fryers and a flat top grill. New tables and chairs will be added to the dining room area, along with 70" screens televisions for Games and Menus.

We are upgrading the Point of Sale (POS) system to a new state of the art system, which is the new way of doing business. Having two POS systems will decrease wait time and also help avoid long lines forming and blocking arcade games and golf counter sales.

Lincoln 1600-3E 80" Impinger Low Profile Triple Conveyor Oven - 208v/3ph

We know the previous operator of the food concession had a really hard time keeping up with the demand for pizzas due to the fact they used a pizza oven which only had two conveyors. Also, there were many times when there was only one conveyor working. So our new triple conveyor oven should enable us to provide much quicker service to the patrons of Sherman Oaks Castle Park.

To Whom It May Concern:

This letter is in reference to our business relationship with Butterfield Games who currently operates at the Sherman Oaks Castle location. We have enjoyed serving Butterfield Games as a valued customer for several years. Over the past few years, we have sold them arcade equipment on open account internally with balances up to \$100,000 and also financed equipment through third party finance sources on notes and they have always handled their accounts in an exemplary manner. Based on their multiple years in business and successful track record Butterfield Games has the ability and credit worthiness to obtain financing to fund substantially larger orders for equipment without a problem.

We have always considered Butterfield Games to be a very knowledgeable amusement operator that understands the value of proper equipment evaluation and how to deploy it in a manner to maximize game room earnings.

We value Butterfield Games as a customer and consider them to be an excellent candidate for any business dealings you may be considering. I will be glad to offer a verbal reference or answer any questions you might have.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. ## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:  
U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank, EP-MN-WS5D, 60 Livingston Ave., St. Paul, MN 55107.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your **Balance Subject to Interest Rate**, use the dates and balances provided in the Reserve Line Balance Summary section.

The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your **Balance Subject to Interest Rate**. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: Consumer Bureau Dispute Handling (CBDH), P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

## IMPORTANT INFORMATION: BANK DEPOSIT ACCOUNTS

**How to Contact Us** - You may call us at the telephone number listed on the front of this statement.

**Updating your contact information** - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

**Deposit agreement** - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

**Electronic transfers: In case of errors or questions about your electronic transfers** - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

**Reporting other problems** - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

**Direct deposits** - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.

Sherman Oaks Castle Park

RE: RFP

Dear Rec & Parks,

As an experienced Game Technician Manager, the advertisement for Arcade and Food & Beverage Concession with Sherman Oaks Castle Park sparked my interest. When reviewing the RFP requirements and your organization's website, I was excited to find that my qualifications and personal strengths align with your needs and mission.

I bring a comprehensive set of skills that I believe will be valuable to Sherman Oaks Castle Park. In my Game Technician Manager role, I honed my abilities in operations management and setting goals, providing a firm foundation for the Arcade and Food & Beverage Concessionaire. My customer service, people-centric nature, and compassion have afforded me excellent organization skills.

I am excited to contribute my talents and proficiency in management toward your team efforts. As an engaging communicator with a proven track record in implementing policies, my focus on building strong professional relationships has been a beneficial asset throughout my career.

On my resume, you will notice a gap in my employment from Jun 1992 to May 1993. During this time I was weighing my options as to what I wanted to do next, and once I decided that the FEC industry is where I belong, I began to search for my next role.

Please review my enclosed resume for a more in-depth illustration of my work history and accomplishments. I would appreciate the opportunity to interview at your earliest convenience. I'm eager to discuss how my personality and background fit the Arcade and Food & Beverage Concession role.

Thank you for your time and consideration of my candidacy.

Sincerely,

Elias Perez

This means that personal fun should never override the enjoyment of customers.

The success of Sherman Oaks Castle Park depends on the attitude of the staff. The employees' attitude will directly influence the attitude of the customers. Having a positive attitude toward customers, activities, and co-workers is not only important but part of the job. Negative attitudes will be cause for oral warnings, written warnings or termination.

## **Lost and Found**

Any personal belongings left by customers at the end of the day should be placed in the Lost and Found basket in the office.

## **Cleanup**

Cleanup needs to be done by every staff member at all times. During each shift, always be aware of the entire facility and clean up whenever necessary. At the close of the business day, the game room will receive a thorough cleaning. There is no excuse for leaving areas messy, and repeat offenders will be issued written warnings.

## **Cash Handling**

When making change, bills received shall not be placed in the cash register until the patron acknowledges that he/ she has received the proper change, which has been counted back by the cashier. The cash register drawer shall be closed after every transaction. A manager must be called anytime a \$ 50 or \$100 bill is present for payment.

- When new, previously unidentified hazards are recognized.
- When occupational injuries and illnesses occur.
- When we hire and/or reassign permanent or intermittent workers to processes, operations, or tasks for which a hazard evaluation has not been previously conducted.
- Whenever workplace conditions warrant an inspection.

Periodic inspections will be conducted using applicable sections of the attached *Restaurant Hazard Assessment Checklist* and any other effective methods we elect to use to identify, evaluate, and track workplace hazards, including our *Hazard Tracking and Correction Record*. Those conducting the inspections will be trained on how to use the checklist and properly identify work site hazards.

## ACCIDENT/EXPOSURE INVESTIGATIONS

Investigation of workplace accidents, hazardous substance exposures, and near-miss incidents will be done by the supervisor, lead, and employee affected and will include:

- Visiting the scene as soon as possible.
- Interviewing affected workers and witnesses, with the goal of fact-finding, not faultfinding.
- Examining the workplace for factors associated with the accident/exposure/near-miss incident.
- Determining the causes of the accident/exposure/near-miss incident.
- Taking corrective action to prevent the accident/exposure/near-miss incident from reoccurring.
- Recording the findings and corrective actions taken on our *Accident/Exposure and Near Miss Incident Investigation Report*.

## HAZARD CORRECTION

Unsafe or unhealthy work conditions, practices, or procedures are to be immediately brought to the attention of affected employees and shall be corrected in a timely manner, based on the severity of the hazards and according to the following procedures:

- When observed or discovered.
- When an imminent hazard exists that cannot be immediately abated without endangering employee and/or property, we will remove all exposed workers from the area except those necessary to correct the existing condition. If a piece of equipment is hazardous, it will be removed from service and identified as defective. Workers necessary to correct the hazardous condition will be provided with the necessary protection.
- All such actions taken and dates they are completed will be documented on our *Safety and Health Hazard Tracking and Correction Record*.

## TRAINING AND INSTRUCTION

All workers, supervisors, and lead personnel will be trained and instructed on general and job-specific safety and health practices. Training and instruction will be provided as follows:

- When our IIPP is first established.
- To all new and temporary workers.
- To all workers given new job assignments for which training has not been previously provided.
- Whenever new substances, processes, procedures, or equipment are introduced to the workplace and represent a new hazard.
- Whenever we become aware of a new or previously unrecognized hazard.
- To supervisors to familiarize them with the safety and health hazards to which workers under their immediate direction and control may be exposed.
- To all workers with respect to hazards specific to each employee's job assignment.

This training will include, but not be limited to:

- Explanation of:
  - o Our IIPP.
  - o Emergency action plan.
  - o Fire prevention plan.
  - o Measures for reporting any unsafe conditions, work practices, and injuries.
  - o When additional instruction is needed.
- Use of appropriate clothing, including gloves, footwear, and personal protective equipment.
- Information about chemical hazards to which employees could be exposed, and other hazard communication program information.
- Availability of toilet, hand-washing, and drinking water facilities.
- Provisions for medical services and first aid, including emergency procedures.
- 

In addition, we provide specific instructions to all workers regarding hazards unique to their job assignment, to the extent that such information was not already covered in other training.

## Employee Access to the IIPP

Our employees have the right to examine and receive a copy of our IIPP. This will be accomplished by:

1. Provide access in a reasonable time, place, and manner, but in no event later than five (5) business days after the request for access is received from an employee or designated representative.
  - a. Whenever an employee requests a copy of the Program, we will provide the requester a printed copy of the Program, unless the employee or designated representative agrees to receive an electronic copy of the Program.
  - b. One printed copy of the Program will be provided free of charge. If the employee requests additional copies of the Program within one (1) year of the previous request and the Program has not been updated with new information since the prior copy was provided, we may charge reasonable, non-discriminatory reproduction costs for the additional copies.

Any copy provided to an employee or their designated representative need not include any of the records of the steps taken to implement and maintain the written IIP Program.

Where we have distinctly different and separate operations with distinctly separate and different IIPPs, we may limit access to the IIPP applicable to the employee requesting it.

An employee must provide written authorization in order to make someone their “designated representative.” A recognized or certified collective bargaining agent will be treated automatically as a designated representative for the purpose of access to the company IIPP. The written authorization must include the following information:

- The name and signature of the employee authorizing the designated representative.
- The date of the request.
- The name of the designated representative.
- The date upon which the written authorization will expire (if less than 1 year).

## RECORDKEEPING

We have taken the following steps to implement and maintain our IIPP:

- Records of hazard assessment inspections, including the person conducting the inspection, the unsafe conditions and work practices that were identified, and the action taken to correct the identified unsafe conditions and work practices, are recorded on our:
  - o *Safety and Health Hazard Assessment Checklist.*
  - o *Safety and Health Hazard Tracking and Correction Record.*
  - o *Accident/Exposure and Near-miss Incident Investigation Report.*
- Documentation of safety and health training for each worker, including the worker’s name or other identifier, training dates, type of training, and training providers, are recorded on our *Worker Training and Instruction Record.*
- Entry into the Log Book of any incidents or hazardous conditions.

Inspection records and training documentation will be maintained for at least one year, except for training records of employees who have worked for less than one year, which are provided to the worker upon termination of employment. These records are to be maintained by Asmir Cirkic.

## **Hazard Communication Program for A.J. Family Food Concession, LLC**

**Date: 03/29/2023**

As required by California's Hazard Communication (HazCom) Regulation (T8 CCR 5194), our company has developed this Hazard Communication Program, which we implement and maintain as an important component of our Injury and Illness Prevention Program (T8 CCR section 3203) to enhance our employees' health and safety. The Hazard Communication Program manager, Asmir Cirkic, has full authority and responsibility for implementing and maintaining this program.

Our goal is to provide information to all personnel on our worksite — including other employers and their employees — about the hazardous chemicals in our workplace, the associated hazards, and the control of these hazards through a program that includes the elements listed below. We expect contractors bringing hazardous chemicals into our workplace to do the same via their own written HazCom Program.

### **List of hazardous chemicals**

Asmir Cirkic will prepare and keep current a list of all known hazardous chemicals present in our workplace that are in use or storage (see attached *Hazardous Chemical List*) and, at the same time, verify that we have the most current safety data sheets (SDSs). The product identifiers listed will match those on the corresponding container labels and SDSs. Specific information on each noted hazardous chemical can be obtained by reviewing the corresponding label and SDS.

### **Proposition 65 list of chemicals**

Asmir Cirkic is responsible for obtaining updates of Prop 65 listed chemicals and providing new information to affected employees. In the case of newly added chemicals to the Prop 65 list, the additional warning requirements will take effect within 12 months from the date of listing.

### **Safety Data Sheets (SDSs)**

Asmir Cirkic is responsible for obtaining the SDSs corresponding to our *Hazardous Chemical List*, reviewing them for completeness, and maintaining the safety data sheet system for our company.

Should a SDS not be received with or prior to receipt of the initial shipment of a hazardous chemical, or with the first shipment after a safety data sheet is updated, a SDS will be requested as soon as possible from the manufacturer or distributor. If the SDS(s) is still not provided upon request, the manufacturer or distributor will, within seven days of noting this missing information, be requested in writing to provide the required information. Asmir Cirkic will forward a copy of this written request to Cal/OSHA if a response is not received from the manufacturer or distributor within 25 days.

Division of Occupational Safety and Health  
Deputy Chief of Health and Engineering Services  
1515 Clay Street, Room 1901  
Oakland, CA 94612

If a new or revised SDS is received that indicates significantly increased risks or measures needed to protect employee health, that information will be conveyed to employees within 30 days by noting in the log book and informing each employee in person.

If we become aware of any significant information regarding the hazards of a chemical, or ways to protect against the hazards, this new information will be added to the SDS within three months.

Legible SDS copies for all hazardous chemicals to which employees of this company may be exposed are kept in the SDSS notebook located in the office. SDSs are readily available for review by all employees in their work area and during each work shift without the need to ask someone.

Employees are to contact a manager if they have a specific question or need additional information on a SDS.

SDSs (and the older Material Safety Data Sheets) constitute an “employee exposure and medical record” and will be kept according to T8CCR section 3204 requirements. Records will be kept in office.

### **Labels and other forms of warning**

Before hazardous chemical containers are released to the work area, it is the policy of our company that Asmir Cirkic will verify that all containers are properly labeled as follows.

- Original containers received from the manufacturer, distributor, importer:
  - Product identifier
  - Signal words
  - Hazard statements
  - Pictograms
  - Precautionary statements
  - Name, address, and telephone number of the manufacturer, importer, or other responsible party
- Workplace containers where the contents of the original containers received from the manufacturer, distributor, importer have been transferred into one of our own containers: Shall be labeled by Product Identifier (Name and type of product).

We will not remove or intentionally deface existing labels on incoming containers of hazardous chemicals, unless the container is immediately marked with the required information.

Portable containers into which hazardous chemicals are transferred from labeled containers, and which are intended only for the immediate use of the employee who performs the transfer are not required to be labeled.

A Manager will utilize the following procedures to review and update label information when necessary.

If we become newly aware of any significant information regarding the hazards of a chemical, we will revise the labels for the chemical within six months of becoming aware of the new information.

To address exposures to Proposition 65 chemicals that do not fall under the requirements of the Cal/OSHA section 5194 Hazard Communication regulation, a manager will provide clear and reasonable warnings to individuals prior to exposure by either:

- Providing a warning to employees in compliance with California Code of Regulations Title 22 (22 CCR) Section 12601(c) in effect on May 9, 1991.
- Complying with the requirements set forth in subsections (d) through (k) of Cal/OSHA section 5194].

### **Employee information and training**

Employees are to attend a HazCom program training session set up by Asmir Cirkic at the time of their initial assignment and whenever a new chemical hazard is introduced into the work area. This training session will be performed in person and provide information on:

- The requirements of the Hazard Communication regulation, including the employees' rights under the regulation.
- The location and availability of the written HazCom Program and list of hazardous chemicals and SDSs. Included here will be how this information will be addressed when there are other employer activities at the work site.
- Any operation in the employees' work area, including non-routine tasks, where hazardous chemicals or Proposition 65 carcinogens/reproductive toxins are present and exposures are likely to occur.
- Methods and observation techniques used to determine the presence or release of hazardous chemicals in the work area.
- Protective practices the company has taken to minimize or prevent exposure to these substances.
- The details of our HazCom Program, including how to read labels and review SDSs to obtain hazard information, and an overview of our workplace-specific labeling procedures for original and workplace containers, as well as stationary processes.
- Physical and health effects of the hazardous chemicals either individually or as hazard groups. Chemical-specific information will always be available through labels and safety data sheets.
- Symptoms of overexposure.

- Measures employees need to put into practice to reduce or prevent exposure to these hazardous chemicals by engineering controls, work practices, and use of personal protective equipment.
- Emergency and first aid procedures to follow if employees are exposed to hazardous chemicals.
- The location and interpretation, if needed, of warning signs or placards to communicate that a chemical known to cause cancer or reproductive toxicity is used in the workplace.

Employees will receive additional training as soon as possible when a new hazard is introduced into the workplace or whenever employees might be exposed to hazards at another employer's worksite.

Training will be documented via the attached *Hazard Communication Employee Training Roster*.

### **Hazardous non-routine tasks**

Periodically, our employees are required to perform hazardous non-routine tasks. Prior to starting work on such projects, affected employees will be given information by their supervisor on the hazards to which they may be exposed during such an activity.

This information will cover:

- Specific hazards.
- Measures the company has taken to reduce the risk of these hazards, such as providing ventilation, ensuring the presence of another employee, providing a respiratory protection program that meets T8 section 5144 requirements, and establishing emergency procedures.
- Required protective/safety measures.

### **Labeled/unlabeled pipes**

Above-ground pipes transporting hazardous chemicals (gases, vapors, liquids, semi-liquids, and plastics) will be identified in accordance with T8 CCR, section 3321, "Identification of Piping."

Before employees enter the area and initiate work on or near pipes, a manager will inform them of:

- The location of the pipe or piping system or other known safety hazard.
- The chemicals in the pipe.
- Potential hazards.
- Safety precautions.

### **Independent contractors and temporary employees working in our workplace**

To ensure that outside contractors work safely at our workplace and to protect our employees from chemicals used by outside contractors, A Manager position responsible for arranging two-way access of the following information with respect to contractors or other employers in our workplace:

- Hazardous chemicals, including Proposition 65 chemicals, to which they may be exposed while on the job site as well as chemicals they will be bringing into the workplace. To this end, we will provide contractors with information on our labeling system and access to SDSs.
- Precautions and protective measures the employees may take to minimize the possibility of exposure.

Should we use the services of a temporary employment service, we will treat their employees as if they are ours and include them in our Hazard Communication Program accordingly.

Employees are to contact Asmir Cirkic if they have questions about this plan or wishes to review it. Our plan will be maintained by Asmir Cirkic to ensure that the policies are carried out and the plan is effective.

## **IRAN CONTRACTING ACT OF 2010 COMPLIANCE AFFIDAVIT**

(California Public Contract Code Sections 2200-2208)

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A bidder who "engages in investment activities in Iran" is defined as either:

1. A bidder providing goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is not identified on the DGS list of ineligible businesses or persons and that the bidder is not engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

**California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).**

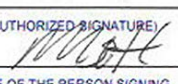

To comply with the Iran Contracting Act of 2010, the bidder shall provide its vendor or financial institution name, and City business Tax Registration Certificate (BTRC) if available, in completing **ONE** of the options shown below.

### **☒ OPTION #1: CERTIFICATION**

I, the official named below, certify that I am duly authorized to execute this certification on behalf of the bidder or financial institution identified below, and that the bidder or financial institution identified below is **not** on the current DGS list of persons engaged in investment activities in Iran and is **not** a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person or vendor, for 45 days or more, if that other person or vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current DGS list of persons engaged in investment activities in Iran.

### **☐ OPTION #2: EXEMPTION**

Pursuant to PCC § 2203(c) and (d), a public entity may permit a bidder or financial institution engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or enter into, or renew, a contract for goods and services. If the bidder or financial institution identified below has obtained an exemption from the certification requirement under the Iran Contracting Act of 2010, the bidder or financial institution shall complete and sign below and attach documentation demonstrating the exemption approval.

	<i>Detail Assumptions used for developing proposed Revenues and Expenses</i>
<b>Revenue:</b>	I am using previous totals we have earned in this location and that's where I got monthly sales numbers with an increase of 2-10% per year.
<b>Cost of Goods</b>	I am going straight off the financials and dividing it evenly among the months with slightly weighted totals for summer months.
<b>Expenses:</b>	I am using the real world expenses of how we currently operate to predict what will happen next year and the following 14.
	If we had to bring in all of these games to start up, we'd have more to say in the Cash Flow document. I'd think we'd have to start with \$1.4-1.6 million dollars in new games, \$100K for a POS system including the card kiosks and hard wiring it all, and \$30K in redemption. Currently the cash flow statement is just profits because we will be paying for everything with regular operating funds. I just put the building improvements over there. the joys of home ownership. I am amortizing the cost of the climbing wall over the first 3 years. I assume that's how long it will take to get the permits through the city. I also assume that we will come up with some new projects collaboratively with the city around year 4 or 5, including a possible patio with the food court.
Other	for Marketing, we are going to try a few events per year like the Summer Kick off Party and ball signing we are doing June 9th and some more social media give aways.
<b>Payroll Costs</b>	I assume that the living wage will continue to go up, but I assume it won't continue to go up at a dollar per year forever, I'm adding 2-10% increase per year.
Wages	
Payroll Taxes	
Health Insurance & Benefits	
Workers' Compensation Insurance	
<b>Variable Costs</b>	I assume that these costs will go slightly up over time, but to pin point the exact amount per month or year is just speculating. I am guessing it is tied with inflation, unless it's tech based and could get better and cheaper with time.
Accounting	
Advertising, Marketing & Promotion	
Dues & Subscriptions	
Environmental Costs	
Equipment Replacement - Small	
Equipment Replacement - Large	
Legal	
Office Expenses	
Payroll Processing Fees	
Professional Services	
Repair & Maint. - FF&E	
Repair & Maint. - Building	
Supplies	
Start up Expenses - Yr 1	
Telephone	
Travel & Entertainment	this is pretty minimal for us, \$20K per year tops, and less if I'm not coming out anymore than quarterly.
Utilities	
Other	Some Marketing projects we are working on are this summer concert kick off, and some NFL and other sporting events coordinated with the food and beverage for package deals. I think we will emphasize local teams and Monday and Thursday Night football as we already busy on the weekends.
<b>Fixed Costs</b>	
Depreciation	
Insurance & Liability	
Service Contracts	
Licenses	
Other	I think the improvements in the building could be around \$100,000 for the bathrooms and some other small projects. We are also looking at a few feature pieces the first 24 months so we can get the best ROI for a little longer on the bigger items. Overall we plan on replacing around 50 pieces over 15 years.
Debt Expense	
Taxes	Property taxes are highest at the beginning of a new contract but decrease as the contract goes on. They wouldn't give me the equation for it, so I am using last contract's numbers.

**CITY OF LOS ANGELES****INSTRUCTIONS AND INFORMATION  
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS**

(Share this information with your insurance agent or broker)

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

**Contractor must provide City** a thirty (30) day notice of cancellation (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **KwikComply** at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the

Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at ([www.2sparta.com](http://www.2sparta.com)), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.
