RECOMMENDATIONS

- 1) Approve the award and execution of the proposed services contracts between the Department of Recreation and Parks (RAP) and the following firms for as-needed brush clearance, weed and refuse abatement services (Contract), in substantially the form attached to this Report as Attachment 1, for a term of three years and an aggregate amount of \$9,000,000 with no guaranteed expenditure, subject to approval of the City Attorney as to form;

Recommended Contractors:

1. Mariposa Tree Management, Inc.
6232 Santos Diaz St., Irwindale, CA, 91702
 2. Outlook Zone, Inc. DBA Green Leaf Zone
28108 Florence Ln., Santa Clarita, CA, 91351
- 2) Find, in accordance with Charter Sections 371(e)(2) and 372, and Los Angeles Administrative Code Section 10.15(a)(2), that it is in the best interest of RAP to have pre-qualified contractors and that competitive bidding is not practicable or advantageous or compatible with RAP's interests in having available pre-qualified, as-needed contractors as it is necessary for RAP to be able to call on pre-qualified contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis with each individual project being awarded on the basis of availability of an as-needed, pre-qualified contractor to perform the work, the price to be charged and the unique expertise of the contractor;

BOARD REPORT

PG. 2 NO. 25-114

- 3) Find, in accordance with Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed brush clearance, weed and refuse abatement services;
- 4) Find, in accordance with Charter Section 375, that it is in the best interest of RAP to prequalify contractors to be eligible to bid on projects for brush clearance, weed and refuse abatement services in order to expedite the solicitation and award of such services for projects on an as-needed basis in light of the significant number of projects in need of such services which are anticipated for the foreseeable future;
- 5) Find, in accordance with Charter Section 1022, that RAP does not have available in its employ, personnel with sufficient time or necessary expertise to undertake brush clearance, weed and refuse abatement services in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with pre-qualified contractors to perform this work on an as-needed basis based on bids to be received from the prequalified contractor for each qualifying project;
- 6) Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the Contract to the City Attorney for review and approval as to form;
- 7) Authorize the Board President and Secretary to execute the Contract upon receipt of the necessary approvals; and,
- 8) Authorize RAP staff to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY

RAP has an on-going need for as-needed brush clearance, weed and refuse abatement services. RAP currently has a set of contracts in place for these important services and would like to broaden that bench to allow more contractors to bid and provide these services to RAP. Awarding contracts to the recommended pre-qualified contractors identified in this Report will provide additional resources to ensure brush clearance, weed and refuse abatement services, as required to maintain and expand RAP's current park facility infrastructure. It is critical that RAP has access to these services to maintain safe facilities throughout the City's vast park system.

A Brush Clearance, Weed and Refuse Abatement Services Request for Qualifications (RFQ) was released on April 3, 2025. A Mandatory Pre-Qualification Meeting was conducted on April 16, 2025 and a Non-Mandatory Technical Review Meeting was conducted on April 29, 2025.

BOARD REPORT

PG. 3 NO. 25-114

The Scope of Services pursuant to this RFQ include, but are limited to, the following services specified in Los Angeles Municipal Code ("LAMC") §57.4901, §57.4904, §57.4906, §57.4906.5.1, and §57.4906.5.1.1.1 through §57.4906.5.1.1.10 at locations throughout the park system:

- weed abatement,
- landscaping,
- vegetation removal,
- defensive spacing,
- tree trimming and removal, and
- and refuse removal services.

RAP may compile weekly bid packages usually consisting of 30 to 60 hours or more of brush clearance, weed and refuse abatement for a typical five-person crew. Packages may also include tree trimming and removal work and may also include special environmental instructions. Bid packages may include more than one parcel to be abated. Each individual bid package solicited by RAP will have its own unique instructions, requirements and performance deadlines.

RFQ: On May 6, 2025 RAP received the following three Statements of Qualifications (SOQ) in response to this RFQ:

- 1) Mariposa Tree Management, Inc.
- 2) Outlook Zone, Inc. DBA Green Leaf Zone
- 3) Waste Unlimited, Inc. dba S&D Landscaping Services

RAP staff evaluated each of the SOQs received for responsiveness, completeness, and thoroughness, per its routine process. Responses were evaluated with a two-level review to determine if each respondent met the minimum qualifications as stated in the RFQ document. The first level determined whether the respondent submitted a complete package and all required forms. The second level focused on the qualifications and quality of the information provided and whether the experience submitted met the minimum qualifications as stated in the RFQ.

Responders were required to provide evidence of their qualifications and meet all of the minimum requirements related to work experience, professional licenses, a representative projects list and required project documentation.

MINIMUM QUALIFICATIONS

The minimum qualifications were as follows:

- 1) Must possess a C-27 California Contractors License in good standing for the last five years.

BOARD REPORT

PG. 4 NO. 25-114

- 2) Five years of experience providing services similar to those listed in the Scope of Services.
- 3) Evidence of acceptable work experience self-performing 30 or more brush clearance projects of five acres or more each, for either a Governmental or Commercial entity only, within the time frame between March 1, 2020 to March 1, 2025.

All references provided were reviewed and verified by RAP staff for the accuracy, work completion, and customer satisfaction of the project(s) completed for that reference.

Additional RFQ Results

Waste Unlimited, Inc. DBA S&D Landscaping Services submitted a bid for this opportunity; however, the Board previously approved award of a contract under the initial release of this RFQ on April 3, 2025, per Board Report No. 25-046. As the firm has already been awarded a contract under this bench, it is not necessary to approve a second award to the same vendor for the same services.

This Report was prepared by Brenda Velasco, Management Analyst and reviewed by John Busby, Senior Management Analyst II.

CONTRACT
BETWEEN
THE CITY OF LOS ANGELES
DEPARTMENT OF RECREATION AND PARKS

AND

TBD

FOR AS-NEEDED BRUSH CLEARANCE, WEED AND REFUSE ABATEMENT
SERVICES

This CONTRACT ("Contract" or "Agreement") is made and entered into this ____ day of _____ 2025, by and between the City of Los Angeles, (herein referred to as "CITY"), a municipal corporation acting by and through its Department of Recreation and Parks (hereinafter referred to as "RAP"), acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as "BOARD"), and **TBD**, hereinafter referred to as CONTRACTOR. CITY and CONTRACTOR shall be referred to hereinafter as the "Parties".

RECITALS

WHEREAS, RAP owns various facilities and infrastructure throughout the CITY and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, RAP requires the services of an experienced and responsible CONTRACTOR to perform as-needed brush clearance, weed and refuse abatement services in the CITY; and

WHEREAS, a Request for Qualifications (RFQ) for such services was released on April 3, 2025, and 3 responses to the RFQ were received on May 6, 2025; and

WHEREAS, CONTRACTOR'S response met the minimum qualification requirements for the provision of as-needed brush clearance, weed and refuse abatement services as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff possessing sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, RAP shall solicit bids on projects for brush clearance, weed and refuse abatement services on an as-needed basis (each a "Project"), and CONTRACTOR, as a pre-qualified CONTRACTOR selected through the RFQ, shall be invited to bid on each

such Project, and if CONTRACTOR is awarded any such Project, CONTRACTOR has indicated its willingness to provide the necessary services for the Project upon the terms and conditions set forth in (1) this Agreement, (2) the RFQ and CONTRACTOR's response to the RFQ ("RFQ Documents"), and (3) the bid notice/documents for the applicable Project and CONTRACTOR's response thereto ("Bid Documents"); and

WHEREAS, RAP, pursuant to Charter Sections 371(e)(2) and 375, finds that it is in its best interest to have pre-qualified contractors and that competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on qualified contractors to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed pre-qualified contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and

WHEREAS, RAP, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the City Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed brush clearance, weed and refuse abatement services; and

WHEREAS, RAP, pursuant to Charter Sections 372 and 375, and Los Angeles Administrative Code Section 10.15(a)(2), finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this Agreement is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the RAP to perform services; and

WHEREAS, RAP, pursuant to Charter Section 1022, does not have sufficient or adequate personnel in its employ to undertake this task on an emergency basis and it is more feasible and economical to secure said services by contract.

For each Project awarded to CONTRACTOR, CONTRACTOR will have read, understood, and agrees to comply with and enforce RAP's Tree Protection Policy and Tree Protection Specifications ("Tree Policy") in its entirety and shall be knowledgeable of all terms and conditions set forth therein. Any failure by the CONTRACTOR to adhere to the requirements specified within the Tree Policy will result in the suspension of all work awarded under this Contract without extension of any such work, all at CONTRACTOR's expense. In addition, CONTRACTOR shall be responsible for payment for or replacement of any trees damaged through non-compliance with the Tree Policy. Should there be any doubts or uncertainties regarding the Tree Policy, CONTRACTOR agrees to inform RAP's Project Manager and RAP's Forestry Division office at (213) 485-4826 or contact them by email at Forestry.JobOrder@LAcity.org prior to performing any work on a Project.

- K. All work awarded under this Contract shall be completed to the satisfaction of

the RAP Project Manager. Work will be considered complete only when signed off by the RAP's Project Manager. Work shall be performed to the specifications as determined by the CITY.

- L. Failure to comply with any requirement contained herein may result in suspension of project work awarded under this Contract without extension.

- N. CONTRACTOR shall provide equipment and personnel for all tasks for all project work awarded under this Contract.
- O. - P. For each Project awarded under this Contract, the Bid Documents for such Project as well as the Notice to Proceed for such Project shall be fully incorporated into and made a part of this Agreement, and CONTRACTOR shall comply with all provisions and requirements and fully perform each and all of the provisions of this Agreement, the RFQ Documents, the Bid Documents, and the Notice to Proceed which are required of it to be performed.

CONTRACTOR agrees that the representations made by it in the Non-Collusion Affidavit submitted by CONTRACTOR as part of the RFQ Documents shall apply in full force and effect to each bid submitted by CONTRACTOR for any Project to be awarded under this Contract, and that if RAP determines CONTRACTOR violated any of its representations made under this provision or such Non-Collusion Affidavit, CONTRACTOR may be excluded from bidding on any subsequent task order or project solicitation in connection with this Contract.
- R. CONTRACTOR's obligations under this Agreement are subject to any applicable provisions of California Civil Code section 2782.8.

3.2 SERVICES TO BE PROVIDED BY CONTRACTOR:

A. Pursuant to CONTRACTOR's qualification under this RFQ, CONTRACTOR is qualified to provide services on an as-needed basis under this Contract as follows:

1. On an as-needed basis as may be requested by RAP, CONTRACTOR shall perform the following services specified in Los Angeles Municipal Code ("LAMC") §57.4901, §57.4904, §57.4906, §57.4906.5.1, and §57.4906.5.1.1.1 through §57.4906.5.1.1.10 at locations throughout the park system:

- weed abatement,
- landscaping,
- vegetation removal,
- defensive spacing,
- tree trimming and removal, and
- and refuse removal services.

2. RAP may compile weekly bid packages usually consisting of 30 to 60 hours or more of brush clearance, weed and refuse abatement for a typical five-person crew. Packages may also include tree trimming and removal work and may also include special environmental instructions. Bid packages may include more than one parcel to be abated. Each individual bid package solicited by RAP will have its own unique instructions, requirements and performance deadlines.

3. Awarded Contractors will be required to self-perform all bid packages, unless prior authorization to subcontract has been obtained in writing. All Contractors will be expected to bid on each and every package assuming they will perform the work in-house.

B. CONTRACTOR must perform all work according to all current, relevant Federal, State and Local Municipal Building Codes which may include but not limited to the California "Green Book" Building Codes, Universal Building and Codes, Los Angeles City Building and Safety Codes. Where applicable all work performed must comply with California's Energy Code Title 24.

C. The specific services to be provided by CONTRACTOR for any projects awarded under this Contract shall be as set forth in the statement of work for such project and its related Notice to Proceed issued for such project, both of which shall be incorporated into and made a part of this Contract.

SECTION 4 - SERVICES TO BE PROVIDED BY CITY

4.1 CITY personnel will work cooperatively with CONTRACTOR to ensure timely approvals of all items required under this Contract.

- 4.2 CITY will promptly act, review, and make decisions as necessary to permit the orderly progress of CONTRACTOR'S work under this Contract.

SECTION 5 - INSPECTION

- 5.1 CONTRACTOR must request final inspection from CITY representative for work completed at each site for each project awarded under this Contract.
- 5.2 CONTRACTOR will receive written notification for any services and/or delivery determined by the Project Manager (Construction and Maintenance Supervisor or his/her designee) to be below an acceptable level. This notification shall be in the form of a "Notice to Correct Unacceptable Service."
- 5.3 CONTRACTOR shall respond in writing to the Project Manager indicating what steps are being taken to correct the unacceptable service. If unacceptable service is not corrected after CONTRACTOR receives the "Notice to Correct Unacceptable Service," payment may be withheld by CITY until corrections are made.
- 5.4 If unacceptable service continues, or if CONTRACTOR receives three or more such notices, CITY may terminate this Contract as described in PSC-9 Termination, of the Standard Provisions for City Contracts (1/25) [v.2] (or most recent), attached hereto and incorporated herein by reference as Appendix A.

SECTION 6 - COMPENSATION AND INVOICING

6.1 Compensation

CITY will pay CONTRACTOR an amount for service outlined in the "Notice to Proceed" for each individual project awarded under this Contract. The maximum compensation in the aggregate to be awarded under this Contract will not exceed \$9,000,000.00 on an as-needed basis. CITY in entering in this Contract guarantees no minimum amount of compensation. CITY staff will monitor this not-to-exceed maximum aggregate total. CITY HAS NOT MADE AN APPROPRIATION OF FUNDS FOR THE MAXIMUM AGGREGATE COMPENSATION AMOUNT STATED HEREIN AND SHALL MAKE AN APPROPRIATION OF FUNDS AS NECESSARY FOR EACH INDIVIDUAL PROJECT AWARDED TO CONTRACTOR UNDER THIS CONTRACT, IF ANY.

- 6.2 CONTRACTOR shall inform CITY of any additional project costs due to unforeseen delays and unexpected changes to the scope of work. Additional project costs shall be itemized by CONTRACTOR and approved by CITY before payment is made to CONTRACTOR. CONTRACTOR must provide a report for each service line item that is awarded to CONTRACTOR. These reports should reflect all pertinent information as it relates to the services performed. The report should have CONTRACTOR's business name, address, contract number and contact phone, email and location where the service was performed. No payments shall be made by CITY accounting staff without an authorized signature from CITY Staff.

6.3 Invoicing

CONTRACTOR shall invoice upon completion of a project by submitting two copies of the invoice which details the work performed in accordance with the original scope of work for the project and any approved change orders within 30 days of completion of service.

CONTRACTOR shall submit invoices to:

Jimmy Newsom, Senior Management Analyst II
or authorized representative
Department of Recreation and Parks
6335 Woodley Ave.
Van Nuys, California 91406

Telephone Number: (818) 756-9294

Email: jimmy.newsom@lacity.org

All invoices shall be submitted on CONTRACTOR'S letterhead, containing CONTRACTOR'S official logo, or other unique and identifying information such as the name and address of CONTRACTOR. Staff may request evidence that the task has been completed, in the form of a report, brochure or photographs, which shall be attached to all invoices.

Invoices and supporting documentation shall be prepared at the sole expense and responsibility of CONTRACTOR. CITY will not compensate CONTRACTOR for costs incurred in invoice preparation. CITY may request changes to the content and format of the invoice and supporting documentation at any time. CITY reserves the right to request additional supporting documentation to substantiate costs at any time.

Tasks that are completed by subcontractors shall be supported by subcontractor invoices, copies of pages from reports, brochures, photographs, or other unique documentation that substantiates their charges.

Failure to adhere to these policies may result in nonpayment pursuant to Charter Section 262(a), which requires the City Controller to inspect the quality, quantity, and condition of services, labor, materials, supplies, or equipment received by any City office or department, and to approve demands before they are drawn on the Treasury.

SECTION 7 - NON-EXCLUSIVITY

RAP and CONTRACTOR understand and agree that this is a non-exclusive Agreement to provide services to RAP and that RAP may contract with other Contractors to provide similar services during the term of this Agreement.

SECTION 8 - RATIFICATION

At the request of RAP, and because of the urgent need therefore, CONTRACTOR may have begun performance of services required hereunder prior to the execution of this Contract. By its execution hereof, CONTRACTOR hereby accepts that such services are subject to all of the terms, covenants, and conditions of this Contract, and CONTRACTOR'S performance of such service.

Section 9 - LIQUIDATED DAMAGES

- 9.1 Time is often of the essence in the performance of work for each Project. CITY relies upon CONTRACTORS to complete work according to the timeline provided in the Bid Documents and it would be extremely burdensome for the parties to ascertain the actual damages incurred by CITY and the general public from late performance by CONTRACTOR. Therefore, if CITY determines that CONTRACTOR in performing services pursuant to Bid Documents, fails to perform by the timeline as set forth in the Bid Documents, CONTRACTOR may be required to pay liquidated damages, at a rate as set forth in the Bid Documents, based on the CONTRACTOR'S late performance.
- 9.2 Late performance is considered to be a failure to complete the applicable Project according to the timeline specified in the Bid Documents for the Project.
- 9.3 RAP shall assess the number of extra days CITY will give CONTRACTOR due to rain days or city holidays.
- 9.4 The Parties, therefore, agree that liquidated damages for late performance of work on a Project, will be assessed against CONTRACTOR at the rate set forth in the applicable Bid Documents for the Project.

SECTION 10 - INCORPORATION OF DOCUMENTS

This Contract and exhibits represent the entire integrated agreement of the Parties and supersedes all prior written or oral representations, discussions, and agreements. The following documents are incorporated and made a part hereof by reference:

- Appendix A. Standard Provisions for City Contracts (1/25) [v.2]
- Appendix B. Form 146 Insurance Requirements
- Appendix C. RFQ and Compliance Documents on file in Board Office as submitted by Responder

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services

suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

CONTRACTOR AGREES THAT:

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CITY OF LOS ANGELES
INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for nonpayment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through KwikComply at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self-Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct**

coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

Attachment 3 – Standard Provisions for all City Contracts (Rev. 1/25)[v.2]

Attachment 4 – Sample Agreement between RAP and Contractor

I. INTRODUCTION

All firms interested in providing as-needed brush clearance, weed and refuse abatement services are invited to submit a Statement of Qualifications to the City of Los Angeles Department of Recreation and Parks (RAP) in response to this Request for Qualifications (RFQ). With the over 450 parks under the jurisdiction of RAP, contracts for these services are critical to meeting both legal requirements as well as the community's expected level of service at properties that are RAP's responsibility. RAP requires these services because current staffing can only provide them on a limited basis. Contracts obtained via this RFQ will provide RAP with additional resources to perform as-needed brush clearance, weed and refuse abatement services to help supplement current City of Los Angeles forces. In addition, these contracts will provide the Department's Planning, Construction and Maintenance Branch with a means to complete current and future as-needed brush clearance, weed and refuse abatement services projects.

The purpose of this RFQ is to pre-select a qualified bench of vendors for as-needed brush clearance, weed and refuse abatement services. This RFQ is the first of a two-phase procurement process, the second phase is the bid and award of as-needed individual projects and issuance of notices to proceed (NTP) on those projects. Each firm that is pre-qualified under this RFQ will be awarded a prequalified contract for a term of three (3) years. The pre-qualified contract for as-needed services will have an annual cap not to exceed three (3) million dollars. All pre-qualified contractors receiving an award of contract will compete for projects issued by RAP on an as-needed basis. In order to continue to provide services and to maintain facilities and amenities at a high level of safety and in compliance with applicable laws and regulations, RAP will require the services of firms providing as-needed brush clearance, weed and refuse abatement services. In awarding these as-needed contracts RAP guarantees no minimum compensation. RAP will evaluate responses firms submit to this RFQ based on evaluation criteria identified herein and will select Respondents RAP deems both responsive and qualified. RAP will only recommend those Respondents deemed both responsive and qualified to the Board of Recreation and Park Commissioners (Board) for a contract award.

The Statements of Qualifications (submitted on the appropriate Project Qualification Submission Forms in Attachment I to this RFQ) should clearly articulate a Respondent's work experience delivering the above and similar services.

The Department of Recreation and Parks (RAP) owns, possesses, manages and controls park property for the City of Los Angeles. RAP has a mandatory duty to remove "any hazardous refuse or hazardous weeds, trees or other vegetation which, by reason of proximity to a building or structure, constitutes a fire hazard." (Los Angeles Municipal Code (L.A.M.C.) Section (Sec.) 57.322.1). The phrase "hazardous weeds, trees, or other vegetation" is defined in the City's Fire Code as "weeds, trees or other vegetation which are in such condition and location as to provide a ready fuel supply to augment the spread or intensity of a fire." (LAMC Sec. 57.322.1 – General Brush Clearance). The applicable Fire Code regulations that pertain to brush clearance may be found in LAMC Secs.57-

322.1 through 57.322.1.1.9. These regulations require RAP to abate certain hazardous public nuisances including, but not limited to, brush clearance of weeds, trees and other vegetation. In order to comply with the LAMC in a timely fashion, RAP requires the services of pre-qualified brush clearance contractors.

II. SCOPE OF SERVICES

On an as-needed basis as may be requested by RAP, CONTRACTOR shall perform the following services specified in Los Angeles Municipal Code ("LAMC") §57.4901, §57.4904, §57.4906, §57.4906.5.1, and §57.4906.5.1.1.1 through §57.4906.5.1.1.10 at locations throughout the park system:

- weed abatement,
- landscaping,
- vegetation removal,
- defensive spacing,
- tree trimming and removal, and
- and refuse removal services.

RAP may compile weekly bid packages usually consisting of 30 to 60 hours or more of brush clearance, weed and refuse abatement for a typical five-person crew. Packages may also include tree trimming and removal work and may also include special environmental instructions. Bid packages may include more than one parcel to be abated. Each individual bid package solicited by RAP will have its own unique instructions, requirements and performance deadlines.

Awarded Contractors will be required to self-perform all bid packages, unless prior authorization to subcontract has been obtained in writing. All Contractors will be expected to bid on each and every package assuming they will perform the work in-house.

III. MINIMUM QUALIFICATIONS

Years in Business: Five (5) years of experience self-performing thirty (30) or more brush clearance projects of five (5) acres or more each, for either a Governmental or Commercial entity. All qualifying projects must have been performed between March 1, 2020 to March 1, 2025. Note: No residential experience will be accepted.

MINIMUM LICENSE REQUIREMENTS:

All Respondents will be required to meet the following minimum qualifications:

- 1) Must possess a C-27 California Contractors License in good standing for the last five (5) years.

2) Provide evidence of acceptable work experience for the following:

All experience shall be submitted on the **PROJECT QUALIFICATION SUBMISSION FORM** in Attachment I to this RFQ for staff review. For each qualifying project please complete a separate **PROJECT QUALIFICATION SUBMISSION FORM for a total of thirty (30) forms**, and include the number of acres of the project. For each qualifying project on each of the forms, provide multiple reference contacts along with email addresses and valid phone numbers. Please notify these references in advance that they will be contacted by RAP. Please verify that the contact methods (both telephone numbers and emails) that you provide to RAP for reference checks are active and that the reference will respond to our attempts to contact them.

All references provided will be reviewed and verified by City Staff for the accuracy, work completion and customer satisfaction of the project(s) completed for that reference. If a customer provides a less than satisfactory reference, the City will not accept this project in the qualification review.

IV. EVALUATION, SELECTION, AND AWARD OF WORK

The intent of this RFQ is to produce a list of pre-qualified contractors that will be eligible to compete for work projects on an as-needed basis. RAP will evaluate the Responses received and make recommendations to the Board regarding the selected respondents with whom to enter into contracts for the provision of these as-needed services. RAP may recommend the execution of contracts with multiple respondents for inclusion on the list. Contracts will be awarded based on the completeness of the SOQ and the Respondent's qualifications.

Following the execution of contracts with selected pre-qualified Respondents, RAP will solicit proposals from all pre-qualified Respondents for specific projects, tasks and/or services. One pre-qualified firm will then be selected to perform the specific project, task, and/or service based on a pre-qualified Respondent's approach to work, comparable experience, bid amount, and/or other criteria that may be established by RAP upon solicitation of specific services.

The Board reserves the right to award an as-needed contract to multiple Respondents, and may award one (1) or more contracts at any time within a period of six (6) months after the receipt of Responses. If necessary, the Board may also request in writing an extension of RFQ proposals from all responsive Respondents for additional periods in increments of three (3) months or ninety (90) days, or until a contract(s) has been awarded and approved.

The Respondent's qualifications will be evaluated based on the minimum qualification criteria listed in this RFQ. All qualifications **MUST** be provided on the Project Qualification Forms which are in Attachment I to this RFQ. Print additional Project Qualification Forms as necessary. Respondents must meet all of the minimum requirements in order to

qualify for an as-needed contract award. If acceptable proof of qualifications is not provided, the Response will be considered non-responsive.

All Responses submitted will undergo a two-level review. The Level I review will focus on whether the Respondent submitted a completed RFQ package as required. All required forms will be reviewed for context and required signatures. If Respondent did not provide a completed bid package, they may be deemed non-responsive and may not proceed to a Level II review.

A Level II review will focus on the actual qualifications provided by the Respondent on the required minimum work experiences, membership in professional organizations, professional liability insurance minimum levels and the presentation of the minimum projects performed as required in the qualification section. All projects submitted will be reviewed and if necessary, all references may be contacted to verify accuracy of information provided by the Respondent. If Respondent passes both the Level I and Level II review, the Respondent may be recommended to the Board for a three-year contract for as-needed services.

The City reserves the right to add contractors during the term of any contract/s awarded as a result of this RFQ process.

This is a prequalified contract. RAP may recommend multiple prequalified Respondents for this contract. All prequalified Respondents will compete for projects issued by RAP on an as-needed basis. The award of this contract will be based on the Respondent's qualifications, which will be evaluated based on the information provided in the Response.

V. CONTRACTOR PARTICIPATION REQUIREMENTS

Contractor/s will be required to self-perform all brush clearance and related duties with in-house staff. With a prior request and authorization, The City may authorize sub-contracting on a case-by-case basis.

Bonding: Must meet all current bonding requirements with the City of Los Angeles.

VI. LIQUIDATED DAMAGES

Please make special note of the liquidated damages provisions that will apply to all contractors that will be awarded a contract pursuant to this RFQ:

Time is of the essence in some of the bid packages that will be awarded. Due to the seasonal nature of the work, and the extreme fire hazard posed by the material to be removed from each parcel, it would be extremely burdensome for RAP and a contractor to ascertain the actual damage incurred by RAP and the general public from late performance by a contractor who has received an award of contract resulting from a response to this RFQ. **Liquidated damages may be specified in each bid package**

scope of work and assessed based on the contractor's late performance and/or failure to perform satisfactorily. Late performance is considered to be a failure to timely complete the awarded package and/or a failure to perform satisfactorily the awarded scope of work in compliance with requirements in the Sample Agreement provided as Pro Forma Contract to this RFQ. RAP shall assess the number of extra days the contractor will be given due to rain days or City holidays. Refer to RAP's Brush Clearance Calendar for CITY Holidays. Responders must be aware that if awarded a contract pursuant to this RFQ and, subsequently, issued a notice to proceed, if the contractor's performance is late or if the contractor fails to perform satisfactorily, liquidated damages for late performance or failure to perform satisfactorily will be assessed against the contractor. For any bid award package awarded under two thousand dollars (\$2,000), liquidated damages will be assessed at the rate of a minimum of two hundred dollars (\$200) per day and for any bid award package awarded an amount above two thousand dollars (\$2,000) liquidated damages will be assessed at a rate of a ten percent (10%) penalty of the awarded amount per day. For more information, please refer to the Sample Agreement provided as Pro Forma Contract to this RFQ.

RESPONDENT QUALIFICATIONS/EVALUATION

The intent of this RFQ is to produce a list of pre-qualified contractors that will be eligible to submit proposals for projects on an as-needed basis. RAP will evaluate the Responses received and make recommendations to the Board regarding the selected Respondents with whom to enter into contracts for the provision of as-needed services. RAP may recommend the execution of contracts with multiple Respondents for inclusion on the list. Contracts will be awarded based on the completeness of the Response and the Respondent's qualifications.

The Respondent's qualifications will be evaluated based on the minimum qualification criteria below. All qualifications **MUST** be provided on Project Qualification Submission Form of this RFQ. Use additional Project Qualification Submission Forms as necessary. Respondents must meet minimum requirements in order to qualify for a contract award. If acceptable proof of qualifications is not provided, the Response will be considered non-responsive.

All Responses submitted will have a two-level review. The Level I review will focus on whether the Respondent submitted a completed SOQ package as required. All required forms will be reviewed for context and required signatures. If Respondent did not provide a completed SOQ package, they may be deemed non-responsive and may not proceed to a Level II review.

A Level II review will focus on the actual qualifications provided by the Respondent on the required minimum work experiences, membership of professional organization, professional liability insurance minimum levels and the presentation of the minimum projects performed as required in the qualification section. All projects submitted will be reviewed and if necessary, all references may be contacted to verify accuracy of information provided by the Respondent. If Respondent passes both the Level I and Level II review, the Respondent may be recommended to the Board for a three-year as-needed services, unless otherwise specified.

This is a pre-qualified contract. RAP may recommend multiple pre-qualified Respondents for this contract. All pre-qualified Respondents will compete for projects issued by RAP on an as-needed basis. The award of this contract will be based on the Respondent's qualifications, which will be evaluated based on the information provided in the Response.

REVIEW OF RESPONSES

After the due date, City staff will review each SOQ and MAY make recommendations to the Board at a date to be determined regarding the successful Respondents (if any) and the award of one or more as-needed contracts. The Respondent's history will be reviewed. If the City determines that additional information is required, the City will request it.

REJECTION OF RESPONSES

In accordance with Los Angeles City Charter section 371(c), "The City shall reserve the right to reject any and all bids or proposals and to waive any informality in the bid or proposal when to do so would be to the advantage of the City. The City may also reject the bid or proposal of any bidder or proposer who has previously failed to timely and satisfactorily perform any contract with the City."

RESPONDENT ERRORS/WITHDRAWAL OF RESPONSES

In general, a Respondent will not be released on account of errors. After Responses have been opened and declared, no Responses shall be withdrawn, except with the consent of the Board and only under the following conditions:

The Respondent sends within five (5) calendar days after the opening of the Responses, an email notice of a material error in the Response to the Board Secretary at the following address:

Board of Recreation and Park Commissioners
Attention: Board Secretary
rap.commissioners@lacity.org

In the notice, the Respondent:

- A. Specifies that the error results in a Response that is materially different than intended and describes in detail how the error occurred;
- B. Provides supporting documentation, including original material (should RAP require additional clarification, information and/or documentation, the Respondent must respond within two (2) working days after receiving notification from the Board Office);
- C. Acknowledges that should their request to withdraw be granted by the Board, it is with the understanding that the Board will not accept a Response from them for this contract should there be a need to re-issue this RFQ.

Errors involving substitution of the listed Subcontractors are detailed elsewhere in this RFQ under the section entitled Subletting and Subcontractors.

EXPEDITED AWARD AND EXECUTION OF CONTRACT

Due to RAP's need to complete the contract work associated with this RFQ as expeditiously as possible, the Board has requested that all Respondents be advised of the following:

1. It is the intention of the Board to award an as-needed pre-qualified contract to the Respondent(s) who meet the minimum qualifications outlined in this document. All pre-qualified Respondents will compete for projects issued by RAP on an as-needed basis.
2. All Respondents are requested to cooperate to the fullest extent possible by submitting all required documentation, and any additional documentation requested by staff, as expeditiously as possible. Failure of any Respondent to comply with the submittal requirements as defined in

this RFQ or to submit any required additional documentation by the date and time specified by staff may render the Response non-responsive, making the Respondent ineligible for any future contract awards under this RFQ.

3. It is the intention of the Board to award this contract as expeditiously as possible.
4. Any Respondent unable to meet the deadline requirements specified herein may be subject to rescission of the contract award by virtue of being declared non-responsive by the Board. At minimum, failure to submit additional documentation requested upon award of contract will render the contractor non-compliant, which results as no contract will be awarded, no work will be performed, and no payments until all required forms are submitted.

PROTEST PROCEDURES

The purpose of these procedures is to provide a method for resolving, prior to award, protests regarding the award of contracts by the City, by and through its Board. These procedures are for the benefit of the City and are not intended to establish an administrative requirement that must be exhausted by the protesting Respondent prior to pursuing any legal remedy which may be available. For this reason, no Respondent shall have any right to due process, should the City fail to follow these procedures for any reason within its discretion. However, failure by a Respondent to follow the protest procedures as discussed below will create the presumption that any subsequent legal action in a court of competent jurisdiction is of no merit. These procedures will enable the Board to ascertain all of the facts necessary to make an informed decision regarding the award of the contract.

It is the policy of the Board that:

1. Officially signed and dated protests must be received prior to the Board's award of any contract in response to this RFQ.
2. Protests are transmitted via email to:

Board of Recreation and Park Commissioners
Attention: Board Secretary
rap.commissioners@lacity.org

3. If filing a protest against another Respondent, the Board will only consider such protests if it appears that either Respondent may have a substantial and reasonable prospect of receiving an award if the protest is denied or sustained.
4. Protests from agencies concerned with contract compliance matters may be considered by the Board beyond the protest period. These protests will receive due consideration if the agency submits the protest in a timely period and such protest affects a Respondent who appears to have a substantial and reasonable prospect of receiving an award if the protest is denied or accepted.
5. Protests meeting the above criteria will be evaluated by staff and any recommended actions will be presented in a written report to the Board. Protesting parties and firms protested against will be notified of the time and date that the written report will be discussed in a public session of the Board. Protesting parties and firms protested against will be given the opportunity to present their arguments at the public session.

Prime Contractors are requested to advise their potential Subcontractors of this protest period policy. In addition, protests against a Prime Contractor by a Subcontractor with a direct financial interest that may be adversely affected by the determination of the protest may be considered by the Board beyond the protest period.

SECTION C CONTRACTOR WORKFORCE INFORMATION (LOS ANGELES RESIDENCE INFORMATION)
--

All Respondents must complete the Los Angeles Residence Information form in order to be considered for a contract award. An important policy goal of the City is to encourage businesses to locate or remain in the City. To track that goal effectively, the Los Angeles City Council, on January 7, 1992, adopted a motion (Council File 92-0021) that requires all City departments to gather various information on contractors who conduct business with the City and all respondents to state their headquarter address as well as the percentage of their workforce residing in the City of Los Angeles.

The following information is to be included in each proposal:

CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.
- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”

C. CHILD CARE REIMBURSEMENT IN ADDITION TO OTHER BENEFITS Employer helps employees pay for child care expenses by reimbursing the employee or his/her care provider for all or part of the cost of child care; allows employee to select the child care provider, or employer may designate providers or conditions (e.g. only reimburse licensed providers); such reimbursement is provided to the employee in addition to the other employee benefits.
