### RECOMMENDATIONS

Accept a donation from Los Angeles Clippers, Inc. (LAC), consisting of uniforms, player and coach clinics, event tickets for youth, and other in-kind contributions, with an estimated value of \$350,000 for continued support of the Junior Clippers Basketball Program benefitting 13,500 participants from 66 RAP Recreation Centers.

### SUMMARY

LAC has generously provided RAP with a donation of products and in-kind services valued at approximately \$350,000 for the continued support of the Junior Clippers Basketball Program (Program)

The Program started in Fiscal Year 2000-01 with 750 participants from three Recreation Centers: Normandie, Shatto and Queen Anne. The Program has now expanded to include 13,500 participants from 66 RAP Recreation Centers. The Program hosts basketball clinics at several Recreation Centers, which provide basic instruction in basketball fundamentals, sportsmanship, health and nutrition.

Over the last thirty-six years, LAC has joined with RAP to work with youth, adults, and families to promote the game of basketball, sportsmanship, and athletics as an alternative to negative influences. Since 1990, this collaboration has resulted in programs such as Neighborhood Pride, Pride JAM, Citywide Basketball Finals, NBA 2 Ball, Junior Clippers, and Late Night Hoops.
