In the event of such a determination, such contractor shall be disqualified from being awarded a contract with City of Los Angeles for a period of two years, or until the contractor shall establish and carry out a program in conformance with the provisions hereof.

CONTRACTOR RESPONSIBILITY ORDINANCE STATEMENT

SECTION D

CONTRACTOR RESPONSIBILITY ORDINANCE STATEMENT

The Contractor Responsibility Ordinance (CRO) requires a determination, via the CRO questionnaire, that prospective contractors are responsible and capable of fully performing the work before a contract is awarded by the City of Los Angeles. Additional information may be found at the following website:

{ HYPERLINK "http://bca.lacity.org/index.cfm?nxt=soo&nxt_body=content_cro.cfm" }

INSTRUCTIONS:

- a. The questionnaire must be completed, appropriately signed, and submitted with the proposal (Pages 1 through 9).

CITY OF LOS ANGELES
CONTRACTOR RESPONSIBILITY ORDINANCE
(Los Angeles Administrative Code Section 10.40 et seq.)

1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

3. Who is responsible for the administration and enforcement of the Ordinance?

Three departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA's, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

Administrative Agency	Agreement Type	Contact Information
Public Works, BCA	Service	Russ Strazella (213) 580-5012
Public Works, BCA	Construction	Russ Struzella (213) 580-5012
General Services	Procurement	Raymond Richards (213) 485-4591

4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

Service agreements: Agreements covered under the general category of a "service agreement" include:

- An agreement for \$25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for \$100,000 or more if the agreement is for the purpose of economic development or job growth. City financial

assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Purchase agreements: Purchase agreements are covered if they are for \$100,000 or more. Agreements to purchase garments are covered if they are for \$25,000 or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

5. When did the Ordinance become applicable?

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Qualifications, “sole-sourced” contracts, and any other procurement process) released to the public **on or after September 4, 2001**. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

6. If an IFB is subject to the CRO, what must a department do?

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

7. What is a Responsibility Questionnaire?

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer’s responsibility, as well as any information contained in the Office of Contract Compliance’s Contractor Evaluation database [<http://caodocs.ci.la.ca.us/ContEval/>] regarding the proposer’s prior performance on City contracts.

8. What must a bidder/proposer do when responding to an IFB?

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the bid/proposal. If a bidder/proposer does not submit a completed Questionnaire with the bid/proposal, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

9. Is a separate Questionnaire required for each IFB?

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

10. What will the City do with the Questionnaire?

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City's Bidder/Contractor Responsibility website: www.lacity.org/bidresp. This posting also applies to "sole-sourced" contracts, so the completed Questionnaire from a proposed "sole-sourced" contractor must be forwarded to the appropriate DAA for posting.

11. How long will the Questionnaires be posted?

The Questionnaires will be posted on the internet for 14 calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

12. What happens during the 14 calendar-day posting period?

The general public will be able to review the Questionnaires posted. If, during the 14 calendar-day posting period, the DAA receives information that calls into question a bidder/proposer's responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer's responsibility.

13. How does a department know that the posting requirement has been met?

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

14. Are contract amendments subject to the CRO?

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

15. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.

- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract..
- When applicable, provide the awarding authority, within 30 calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor's responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

16. What happens if a contractor is found to be in violation of the Ordinance?

The DAA will notify the contractor that a violation has been found and give the contractor 10 calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.

17. What about subcontractors?

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

18. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

19. Are there any exemptions under the Ordinance?

Generally, two categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:

- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.

- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

20. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?

All CRO-related information and documents can be found on the CRO website:
<http://www.lacity.org/bidresp>.

CITY OF LOS ANGELES
EQUAL BENEFITS ORDINANCE
(Los Angeles Administrative Code Section 10.8.2.1)

1. What is the Equal Benefits Ordinance?

The Equal Benefits Ordinance (EBO) requires that City contractors who provide benefits to employees with spouses must provide the same benefits to employees with domestic partners.

2. What types of agreements are covered by the Ordinance?

The Ordinance covers any City agreement over \$5,000. This includes agreements for grants, services, the purchase of goods, construction, and leases.

3. When does the Ordinance become applicable?

The original Ordinance became effective on January 1, 2000. The original Ordinance was applicable mostly to service contracts and leases of City property. However, in February 2003, the Ordinance was amended to also cover competitively bid contracts such as construction and procurement contracts. Because of the amendment, the Ordinance applies to competitively bid contracts amended after April 1, 2003 and competitive bids released after May 1, 2003.

4. Are agreements entered into before the effective date of the Ordinance affected?

In general, agreements executed prior to January 1, 2000 become subject to the Ordinance if they are amended, modified, or renewed after January 1, 2000. For competitively bid agreements, the Ordinance becomes applicable if they are amended, modified, or renewed after April 1, 2003. At the time of amendment, modification, or renewal, the awarding authority must incorporate the requirements of the Ordinance into the agreement.

5. Who is covered by the Ordinance?

The Ordinance applies to the following:

- Any contractor that has an agreement with the City.
- All of the City contractor's other operations located within the City limits, even if those operations are not involved in the City agreement.
- Any of the contractor's operations if it is on property owned by the City, or on property that the City has a right to occupy.
- The contractor's employees located elsewhere in the United States but outside of the City limits if those employees are performing work on the subject City agreement.

6. What is a covered contractor required to do under the Ordinance?

The Ordinance requires the contractor to:

- Certify that equal benefits will be provided to employees with spouses and to employees with domestic partners.
- Post a copy of the following statement in an area frequented by employees: “During the performance of a Contract with the City of Los Angeles, the Contractor will provide equal benefits to its employees with spouses and its employees with domestic partners.”
- Allow the City access to records so that the City can verify compliance with the Ordinance.

7. Are subcontractors also covered?

This depends on when the prime contractor’s agreement with the City became subject to the Ordinance. If the prime contractor’s agreement with the City became subject to the EBO between January 1, 2000 and March 31, 2003, subcontractors working on the agreement are subject to the requirements of the EBO. If the prime contractor’s agreement with the City became subject to the EBO after April 1, 2003, subcontractors working on the agreement are not subject to the EBO.

8. What benefits are included?

The Ordinance applies to all benefits offered by an employer. This includes, for example, bereavement leave, family medical leave, medical, dental, and vision benefits, membership or membership discounts, moving expenses, travel and relocation benefits, and retirement plans.

9. How does the Ordinance define a “domestic partner”?

“Domestic partner” means any two adults, of the same or different sex, who have registered as domestic partners with a governmental entity pursuant to state or local law authorizing this registration, or with an internal registry maintained by the employer of at least one of the Domestic Partners.

10. What if the actual cost to a contractor of providing a benefit to an employee’s domestic partner is more than the cost of providing the benefit to an employee’s spouse?

In that case, the contractor may require that the benefit will be provided to the employee’s domestic partner only if the employee agrees to pay for the extra cost of the benefit. The contractor may do the same if the actual cost to the employer of providing a benefit to an employee’s spouse is more than the cost of providing the benefit to an employee’s domestic partner.

11. What happens if a contractor is found to be in violation of the Ordinance?

The City may take the following steps:

- The contractor may be deemed to be in material breach of the City agreement.
- The agreement may be canceled, terminated, or suspended, in whole or in part.
- The City may also retain money due to the contractor
- The contractor may be deemed a non-responsible bidder and disqualified from contracting with the City under the Contractor Responsibility Ordinance.
- The City may pursue other legal remedies.

12. What happens if a subcontractor is found to be in violation of the Ordinance?

Because the contractor is responsible for making sure that all its subject subcontractors comply with the Ordinance, the enforcement actions listed in the previous answer may be applied to the contractor if the subcontractor is found to be in violation. See the response to question number seven regarding which subcontractors are subject to the EBO.

13. Are there any exceptions or waivers to the Ordinance?

An awarding authority may apply to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) for a waiver in the following situations:

- The contractor is the only provider of a needed good or service.
- The contractor is the only bidder or contractor willing to enter into an agreement with the City for use of City property.
- The agreement is necessary to respond to an emergency situation that endangers the public health or safety, and no contractor that complies with the law is immediately available.
- The agreement involves specialized litigation as certified by the City Attorney's Office.
- The contractor is a public entity providing a good, service, or access to real property that is not available from any other source.
- The contractor is a public entity and the good or service is necessary to serve a substantial public interest
- The application of the Ordinance would conflict with the terms or conditions of a grant agreement with a public agency.
- The agreement is essential to the City or the City's residents and no other contractor that complies with the Ordinance is available.
- The agreement is for a bulk purchasing agreement through City, federal, state, or regional entities that reduce the City's purchasing cost.
- The agreement involves the investment of certain types of monies, or instances in which the City will incur a financial loss that would violate the Treasurer's or City Administrative Officer's fiduciary duties.

14. What if a contractor is subject to a collective bargaining agreement?

The Ordinance does not apply to a collective bargaining agreement (CBA) that was in effect prior to the Ordinance becoming applicable to the Contractor. However, in order to contract with the City, the contractor must agree that if the CBA is subsequently amended, extended, or otherwise modified, the contractor will propose to the union that the requirements of the Ordinance be incorporated into the CBA. If the contractor agrees to do so, the contractor may be granted Provisional Compliance status allowing the contractor to begin working on the City agreement. When the Provisional Compliance status expires, the contractor must verify for the City the steps taken to come into compliance with the EBO.

15. Who is responsible for administering and enforcing the requirements of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, 3rd Floor, Los Angeles, CA 90015. For additional information, please call (213) 847-1922, or go to the OCC website at www.lacity.org/bca.

16. Where can a domestic partnership be registered?

Many governmental agencies offer domestic partnership registries. Two local governmental entities that offer such registries include the County of Los Angeles and the City of West Hollywood.

Los Angeles County

Couples may file a Statement of Domestic Partnership with the Los Angeles County Department of Registrar-Recorder/County Clerk. The County registry is available to same sex and different sex couples. Couples must both be 18 years of age or older and at least one partner must reside or work within Los Angeles County.

For additional information, contact the Registrar-Recorder/County Clerk at (562) 462-2060. The Los Angeles County Department of Registrar-Recorder/County Clerk webpage at <http://regrec.co.la.ca.us/scripts/partnership.htm> contains information on where to file a Statement of Domestic Partnership and forms that can be downloaded.

City of West Hollywood

Couples may apply for Domestic Partnership registration with City of West Hollywood's Office of the City Clerk. The City of West Hollywood registry is available to couples of the same and different sex. The couple need not work in nor reside in West Hollywood to register.

For additional information, couples may contact the City of West Hollywood's Office of the City Clerk at (323) 848-6332. The City of West Hollywood's website at www.weho.org contains information on Domestic Partnership status and forms that can be downloaded.

INSTRUCTIONS FOR COMPLETING EQUAL BENEFITS ORDINANCE FORMS

1. **Start with the Equal Benefits Ordinance (EBO) Compliance Form (Form OCC/EBO-1).** Your company must be determined to be in compliance with the EBO before a contract with the City may be executed. In Section 2 of the form, indicate what benefits your company currently offers its employees. If a benefit is not offered, indicate the benefit is not offered.

If your company currently does not offer equal benefits to employees with spouses and employees with same or different sex domestic partners, you may, on page two of the EBO Compliance Form, request one of the following by checking the appropriate box on the form:

- a. **Request additional time to come into compliance with the EBO.** This is available to contractors who agree to fully comply with the EBO but need additional time to add domestic partner coverage, to change company policies, or to negotiate the addition of domestic partner coverage to a collective bargaining agreement. Complete the Application for Provisional Compliance (Form OCC/EBO-3) and return it with the EBO Compliance Form (Form OCC/EBO-1). You must submit supporting documentation to verify why additional time is needed.
 - b. **Request to be allowed to comply with the EBO by providing employees the cash equivalent.** This is available to contractors who meet both of the following: (1) agree to provide employees with domestic partners the cash equivalent of the benefits offered to employees with spouses; and (2) have demonstrated that they have taken reasonable yet unsuccessful efforts to comply, or that it would be unreasonable under the circumstances to require the contractor to provide equal benefits rather than pay the cash equivalent to employees. Complete the Application for Reasonable Measures Determination (Form OCC/EBO-2) and return it with the EBO Compliance Form (Form OCC/EBO-1). You must submit the supporting documentation requested in the Reasonable Measures Form.
 - c. **Request to be allowed to comply with the EBO on a contract-by-contract basis.** If your company can only comply with the EBO for those locations or employees covered by the EBO, you may apply for compliance on a contract-by-contract basis. Contact the Department of Public Works, Office of Contract Compliance for additional information. Check the appropriate box on the EBO Compliance Form (Form OCC/EBO-1) and submit supporting documentation regarding the locations and employees affected by the EBO.
2. **Obtain supporting documentation.** The City must verify that each benefit offered by your company is offered equally. Refer to the EBO supporting documentation information sheet for the type of documentation that will be required. You must submit supporting documentation for each benefit checked in Question 2 of the EBO Compliance Form (Form OCC/EBO-1).

Unless otherwise specified in the RFB/RFP/RFQ, you do not need to submit supporting documentation with the bid or proposal. However, because supporting documentation will be required if you are selected for award of a contract, you must have the supporting documentation readily available for submission. A delay in the submission of documentation will result in a delay in the execution of your contract. **If you have already been notified that you have been selected for the award of a contract, supporting documentation must be submitted immediately to avoid delays.**

3. **Submit the EBO Compliance Form (Form OCC/EBO-1) to the awarding department.** If you are requesting additional time to comply or to be allowed to pay employees the cash equivalent, you must also submit the appropriate forms (see #1 above) and supporting documentation with the EBO Compliance Form.
4. **The forms and documentation will be forwarded to the Office of Contract Compliance for review.** If additional information or supporting documentation is needed, the Contractor Enforcement Section will contact you to obtain the information. **Because your contract cannot be executed until you have been determined to be in compliance with the EBO, you must respond promptly to any request for additional information.**

YOU MUST SUBMIT SUPPORTING DOCUMENTATION TO VERIFY EACH BENEFIT MARKED. Without proper documentation for **each carrier and each benefit marked**, your company cannot be certified as complying with the EBO. If documentation for a particular benefit does not exist, attach an explanation. Refer to the "Documentation to Verify Compliance with the Equal Benefits Ordinance" fact sheet for more information on the type of documentation that must be submitted to verify compliance with the EBO.

If in the Table in Section 2 you indicated that your company does not provide all benefits equally throughout its entire operations to all your employees with spouses and employees with domestic partners of the same and different sex, you may:

- a. Request additional time to comply with the EBO.** Provisional Compliance may be granted to Contractors who agree to fully comply with the EBO but need more time to incorporate the requirements of the EBO into their operations. Submit the Application for Provisional Compliance (OCC/EBO-3) and supporting documentation with this Compliance Form.
- b. Request to be allowed to comply with the EBO by providing affected employees with the cash equivalent.** Your company must agree to provide employees with a cash equivalent. In most cases, the cash equivalent is the amount of money equivalent to what your company pays for spousal benefits that are unavailable for domestic partners, or vice versa. Submit a completed Application for Reasonable Measures Determination (OCC/EBO-2) and supporting documentation with this Compliance Form.
- c. Comply on a Contract-by-Contract Basis.** Compliance may be granted on a contract-by-contract basis for those Contractors who have multiple locations in the U.S. but cannot comply with the EBO throughout the Contractor's operations. Indicate below the compliance category you are requesting:
 - Contractor has multiple operations located both within and outside City limits. Contractor will comply with the EBO only for the operation(s) located within City limits and for employee(s) located elsewhere in the United States who perform work relating to the City agreement. Supporting documentation for the affected operation(s)/employees must be submitted.
 - Contractor has no offices within City limits but does have (an) employee(s) working on the City agreement located elsewhere in the United States. Contractor will comply with the EBO only for employee(s) located elsewhere in the United States who perform work relating to the City agreement. Supporting documentation for the affected employee(s) must be submitted.

SECTION 3. EXECUTE THE DECLARATION AND SUBMIT THE FORM TO THE AWARDING DEPARTMENT

This form must be returned to the City department awarding the agreement. If responding to a request for bid/proposal, submit this form with the bid/proposal to the awarding department. The awarding department will forward the form to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance for review.

DOCUMENTATION TO VERIFY COMPLIANCE WITH THE EQUAL BENEFITS ORDINANCE

Section 2 of the Equal Benefits Ordinance Compliance Form (Form OCC/EBO-1) requires that you submit supporting documentation to the Office of Contract Compliance to verify that all benefits marked in your response(s) are offered in a nondiscriminatory manner. This list is intended to be used only as a guide for the type of documentation needed.

Health, Dental, Vision Insurance: A statement from your insurance provider that spouses and domestic partners receive equal coverage in your medical plan. This may be in a letter from your insurance provider or reflected in the eligibility section of your official insurance plan document. Note that "domestic partner" includes same-sex as well as different-sex partners so that the definition of "domestic partner" contained in the plan document must include different-sex partners.

Pension/401(k) Plans: Documentation should indicate that participating employees may designate a beneficiary to receive the amount payable upon the death of the employee. Submit a blank beneficiary designation form.

Bereavement Leave: Your bereavement leave or funeral leave policy indicating the benefit is offered equally. If your policy allows employees time off from work because of the death of a spouse, it should also allow for time off because of the death of a domestic partner. If the policy allows time off for the death of a parent in-law or other relative of a spouse, it must include time off for the death of a domestic partner's equivalent relative.

Family Leave: Your company's Family and Medical Leave Act policy. All companies with 50 or more employees must offer this benefit. Your policy should indicate that employees may take leave because of the serious medical condition of their spouse or domestic partner.

Parental Leave: Your company's policy indicating that employees may take leave for the birth or adoption of a child. If leave is available for step-children (the spouse's child) then leave should also be made available for the child of a domestic partner.

Employee Assistance Program (EAP): The benefit typically refers to programs that allow employees and their family members access to counselors who provide short-term counseling and referrals to assist in dealing with issues such as family problems, addiction, and financial and legal difficulties. Your company's EAP policy must confirm that spouses, domestic partners and their parents and children are equally eligible (or ineligible) for such benefits. If provided through a third party, a statement from the third party provider regarding eligibility is required.

Relocation & Travel: Your company's policy confirming that expenses for travel or relocation will be paid on the same basis for spouses and domestic partners of employees.

Company Discounts, Facilities & Events: Your company's policy confirming that to the extent discounts, facilities (such as a gym) and events (such as a company holiday party) are equally available to spouses and domestic partners of employees.

Credit Union: Documentation from the credit union indicating that spouses and domestic partners have equal access to credit union services.

Child Care: Documentation that the children of spouses (step-children) and children of domestic partners have equal access to child care services.

Other Benefits: Documentation of any other benefits listed to indicate that they are offered equally.

APPLICATION FOR REASONABLE MEASURES DETERMINATION - CASH EQUIVALENT COMPLIANCE

Name of Company _____ Federal ID Number _____

Street Address _____ City, _____ State _____ Zip _____

Contact Person/Title _____ Telephone Number _____ Fax Number _____

Before the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) will approve a contractor's application to comply with the Equal Benefits Ordinance (EBO) by paying a cash equivalent, the OCC must determine that: (a) the contractor has made a reasonable yet unsuccessful effort to provide equal benefits; or (b) under the circumstances, it would be unreasonable to require the contractor to provide benefits to domestic partners (or spouses if applicable). **To apply, contractors must submit:**

1. An explanation and documentation that demonstrates: (a) the Contractor has made a reasonable, yet unsuccessful, effort to provide equal benefits; or (b) under the circumstances, it would be unreasonable to require the contractor to provide equal benefits rather than paying the cash equivalent. See EBO Regulation #2B(1)(a) and #2B(1)(b).
2. This completed application. Fill in the company's information, then read and sign the acknowledgement below.
3. A completed Equal Benefits Ordinance Compliance Form (Form OCC/EBO-1). Be certain that box "b" on page two of the form is checked.
4. A draft of the memorandum that will be distributed to affected employees informing them of the cash equivalent option.
5. Copies of the revised policies, such as bereavement, for which the cash equivalent is not applicable.

If approved by the OCC, a contractor will be allowed to comply with the EBO by paying its employees with domestic partners the cash equivalent of benefits made available to the spouses of its employees. The cash equivalent is the difference between the amount an employer pays to provide an employee with spousal or family coverage and the amount that an employer pays to provide an employee with employee-only coverage. For example, an employer pays \$200 per month to provide benefits for an employee and his/her spouse, and \$150 per month to provide benefits for an employee with employee-only coverage. The cash equivalent that must be paid to the employee with a domestic partner is \$50 per month.

For benefits for which a cash equivalent is not applicable, such as bereavement leave, the employer must amend its policies so that domestic partners are treated in the same manner as spouses. For example, if the policy allows an employee three days off in the event of the death of a spouse or the spouse's parents, the policy must be amended to allow an employee three days off in the event of the death of a domestic partner or the domestic partner's parents.

ACKNOWLEDGEMENT REGARDING APPLICATION

I declare under penalty of perjury under the laws of the State of California that I am authorized to bind the company/entity listed above. I understand that this Application must be approved by the OCC before compliance by paying the cash equivalent will be allowed. By signing below, I agree on behalf of the company that if this Application is approved by the OCC, the company will comply with the EBO by providing employees with domestic partners the cash equivalent of the benefits that are made available to employees with spouses. For those benefits to which the cash equivalent is not applicable, such as for bereavement leave or family leave, the company agrees to amend its policies so that the domestic partners of employees will be treated in the same manner as the spouse of an employee. The relatives of domestic partners will be treated in the same manner as relatives of spouses. The company further agrees to provide a memorandum notifying our affected employees of the availability of the cash equivalent option if they have domestic partners for whom equal benefits cannot be provided.

APPLICATION FOR PROVISIONAL COMPLIANCE WITH EQUAL BENEFITS ORDINANCE

COMPLETE AND SUBMIT THIS FORM ONLY IF APPLICABLE. Contractors entering into, amending, or bidding on a City contract who agree to comply with the Equal Benefits Ordinance (“EBO”) but need more time to incorporate the requirements of the EBO into their operations must submit this form, and supporting documentation, to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (“OCC”). (This form must be submitted with the EBO Compliance Form OCC/EBO-1.) The Contractor may be granted additional time to incorporate the requirements of the EBO only in the circumstances indicated below. Fill out all sections that apply. Attach additional sheets if necessary.

A. OPEN ENROLLMENT FOR HEALTH, DENTAL AND/OR VISION INSURANCE PLANS

The Contractor may be granted additional time to implement the requirements of the EBO if equal benefits cannot be provided until after the first open enrollment process following the date the contract with the City is executed. To qualify, the Contractor must submit evidence that reasonable efforts are being undertaken to implement the requirements of the EBO. Additional time granted may not exceed two years from the date the contract with the City is executed, and applies only to benefits for which an open enrollment period is applicable.

 - Date domestic partner (same and different sex) coverage will become effective.

You must submit copies of correspondence between your company and your insurance provider(s) documenting your effort to obtain domestic partner coverage for same- and different-sex couples. You should also submit verification of the next open enrollment date or the date the benefits become available.

B. ADMINISTRATIVE ACTIONS AND REQUESTS FOR EXTENSION

The Contractor may be granted additional time to implement the requirements of the EBO if the administrative actions necessary to incorporate the EBO cannot be completed prior to the date that the contract with the City is executed. Additional time granted for the completion of the administrative action shall apply only to those benefits that require administrative actions and may not exceed three months. Upon written request by the Contractor and at the discretion of the OCC, the Contractor may be granted additional time to complete the administrative actions. Administrative actions may include personnel policy revisions and the development and distribution of employee communications.

Describe below or on an attachment the administrative actions needed and the anticipated completion dates. **Attach supporting documentation such as the relevant portions of your current policy and the changes you plan to make.**

If you are requesting an extension beyond three months, explain why more than three months is needed and attach any supporting documentation that may be relevant.

PROVISIONAL COMPLIANCE

C. COLLECTIVE BARGAINING AGREEMENTS

Compliance with the EBO may be delayed until the expiration of a Contractor's current collective bargaining agreement(s) (CBA). When the CBA is renegotiated, the Contractor must propose to the union for incorporation into the CBA the EBO requirements so that all benefits provided to employees with spouses are also extended to employees with domestic partners. Provisional compliance status may be granted if all of the following conditions are met.

- 1. The provision of some or all of the benefits offered to the Contractor's employees are governed by one or more CBA(s) but domestic partner coverage for same- and different-sex couples is not offered under the CBA(s).

Required Information: Indicate below the name of each CBA for which Provisional Compliance is being requested and the time period the CBA covers.

Name of Bargaining Unit: _____	Start date: _____	End date: _____
Name of Bargaining Unit: _____	Start date: _____	End date: _____
Name of Bargaining Unit: _____	Start date: _____	End date: _____

- 2. The Contractor agrees to propose to the union that the EBO requirements be incorporated into each of the CBA(s) by signing the statement below.

When the CBA is renegotiated, we will propose to the union that the EBO requirements be incorporated into the CBA so that all benefits provided to employees with spouses will be extended to employees with same or different sex domestic partners. After the CBA expires, we will provide, upon request by the City, reports on the status of the efforts to incorporate the EBO requirements into the CBA.

By the end of negotiations, we agree to notify the OCC of the result by submitting a statement which will indicate: (1) when the issue of same and different sex domestic partners was raised during negotiations; and (2) whether or not the EBO requirements was incorporated into the CBA. We understand that a separate statement must be submitted for each CBA for which Provisional Compliance was requested.

Name of Signatory (Print)	Signature	Title	Date
---------------------------	-----------	-------	------

- 3. For benefits not strictly governed by a CBA, the Contractor must establish policies so that those benefits are provided in accordance with the requirements of the EBO. For example, the Contractor may be required to expand the existing bereavement leave policy to allow an employee with a domestic partner time off in event of the domestic partner's death even if the CBA does not require the employer to do so.

Required documentation: A listing of benefits not strictly governed by the CBA along with the Contractor's policies as they relate to those benefits.

EXECUTE THE DECLARATION AND SUBMIT THE FORM TO THE AWARDING DEPARTMENT: This form, and the Equal Benefits Ordinance Compliance Form (Form OCC/EBO-1) must be returned to the City department awarding the agreement. If responding to a request for bid/proposal, submit this form with the bid/proposal to the awarding department. The awarding department will forward the form to the OCC for review.

CITY OF LOS ANGELES
LIVING WAGE ORDINANCE
(Los Angeles Administrative Code Section 10.37 et seq.)

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum "living wage" and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the "living wage" rate. The "living wage" is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at www.bca.lacity.org.
- Provide employees with at least 12 paid days off per year for sick leave, vacation, or personal necessity; and at least 10 unpaid sick days off per year.
- Tell employees who make less than \$12.00 per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over \$25,000.00 and for at least three months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May, 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer's subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to one hundred dollars (\$100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than 3 months or \$25,000 or less.
- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than \$440,792 (effective July 1, 2008). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, 3rd Floor, Los Angeles, CA 90015. For additional information, please call (213) 847-1922, or go to the Office of Contract Compliance website at <http://www.bca.lacity.org>.

LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
 2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
 3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.
1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.
- a. **Less than three months OR less than \$25,000 (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
 - b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
 - c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
 - d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
 - e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
 - (1) The assistance given in a 12-month period is below \$1,000,000 AND less than \$100,000 per year.
 - (2) The assistance is not for economic development or job growth.
 - f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.
2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.
- a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations (an employee "whose work on an agreement involves the care or supervision of children 12 years of age and under."). A copy of the IRS 501(c)(3) Exemption Letter will be required.
 - b. **One-person contractors with no employees (LAAC 10.37.1(f)):** Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS (Continued)

3. The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.

- a. **Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
- b. **Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
- c. **Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee: (1) employs no more than a total of seven employees; and (2) has annual gross revenues of less than \$440,792 (adjusted July 1, 2008). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for "Small Business" Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.
- d. **City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LW-10).
 - (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
 - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
 - (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

CITY OF LOS ANGELES
SERVICE CONTRACTOR WORKER RETENTION ORDINANCE
(Los Angeles Administrative Code Section 10.36 et seq.)

1. What is the Service Contractor Worker Retention Ordinance?

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least 12 months. (See also Question #7 regarding which employees are covered.)

2. What is a successor contractor?

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

3. What types of agreements are covered by the Ordinance?

The SCWRO covers the following types of agreements:

- For services in an amount over \$25,000.00 and for at least three months.
- In which the primary purpose is to provide services to or for the City (including leases and licenses).
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.

4. What does the Ordinance require a terminated contractor to do?

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

5. What does the Ordinance require a successor contractor to do?

The Ordinance requires the successor contractor to:

- Offer employment and retain for a 90-day period the employees who worked for at least 12 months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the SCWRO without cause during the 90-day period.
- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the 90-day period.

6. Do the employees retained under the Ordinance receive any additional protection?

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

7. Does the successor contractor have to retain all the prior contractor's employees?

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than \$15.00 per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding 12 months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

9. What happens if an employee is discharged in violation of the Ordinance?

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

10. What if a contractor is found to be in violation of the Ordinance?

The City may terminate the agreement or pursue other legal remedies.

11. Who is responsible for administering and enforcing the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, 3rd Floor, Los Angeles, CA 90015. For additional information, please call (213) 847-1922, or go to the Office of Contract Compliance web site at www.bca.lacity.org

As proof of the respondent's outreach efforts, the respondent is required to submit adequate Good Faith Effort documentation sufficient to meet the requirements as defined in the enclosed. Additional information may be found at the following website:

A. POLICY AND GOOD FAITH EFFORT DOCUMENTATION

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts greater than \$100,000. Proposers shall assist the City in implementing this policy by taking all reasonable steps to ensure that all available business enterprises, including MBEs, WBEs and OBEs have an equal opportunity to compete for and participate in City contracts. A proposer's good faith efforts to reach out to MBEs, WBEs and OBEs shall be determined by the level of effort put into achieving the following indicators. Failure to meet expected MBE/WBE participation levels will not by itself be the basis for disqualification or determination of noncompliance with this policy. However, failure to include supporting documentation of a good faith effort and failure to achieve a minimum of 75 out of 100 Good Faith Effort evaluation points will render the bid non-responsive and will result in its rejection. *Good Faith Effort is required even if the proposer has achieved the anticipated MBE/WBE participation levels.*

3	10
4	9
5	15

Each indicator (2-10) is evaluated on a pass/fail basis, i.e. either full or zero points can be achieved for compliance with each item (Partial credit will not be granted).

1	LEVEL OF ANTICIPATED MBE/WBE PARTICIPATION	No Points
---	---	-----------

The proposer made a good faith effort to obtain participation by MBEs, WBEs and OBEs which could reasonably be expected by the Awarding Authority to produce a level of participation by interested sub-consultants, including _____ percent MBE and _____ percent WBE.

2	ATTENDED PRE-BID MEETING	10 Points
---	---------------------------------	-----------

The proposer attended the pre-proposal meeting scheduled by the Project Manager to inform all proposers of the requirements for the project for which the contract will be awarded. This requirement will be waived if the proposer certifies in writing prior to the pre-proposal meeting that it is informed as to those project requirements.

Required Documentation: a) An employee of the proposer's company must attend the Pre-Proposal meeting and be listed on the attendance sheet. Credit may not be given if the employee arrives late or fails to sign the Pre-Bid meeting attendance roster; or b) Submit a letter prior to the pre-proposal meeting either by fax or by mail to the Project Manager at the fax number and/or address listed for the direction of questions.

3	SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS	10 Points
---	--	-----------

The proposer identified and selected specific items of the project to be performed by subconsultants in order to provide an opportunity for participation by MBEs, WBEs, and OBEs. The proposer shall, when economically feasible, divide total contract requirements into small portions or quantities to permit maximum participation of MBEs, WBEs, and OBEs.

Required Documentation: Proof of this must be demonstrated in either Indicator 4 or 5.

4	ADVERTISEMENT	9 Points
---	----------------------	----------

The proposer advertised for subproposals or bids from interested business enterprises not less than **ten (10) calendar days** prior to the submission of proposal in one or more daily or weekly newspapers, trade association publications, minority or trade oriented publications, trade journals, or other media specified by the Awarding Authority.

Required Documentation: A copy of the advertisement and a proof of publication statement or other verification which confirms the date the advertisement was published.

Note: The advertisement must be specific to the project, not generic, and may not be a plan holder advertisement provided by the publication. It should include the City of Los Angeles project name, name of proposer, areas of work available for subconsulting, and a contact person's name and telephone number, information on the availability of plans and specifications and the proposer's policy concerning assistance to subconsultants in obtaining bonds, lines of credit and/or insurance. Consideration will be given to the wording of the advertisement to ensure that it did not exclude or seriously limit the number of potential respondents. Internet publications are generally not considered acceptable for this requirement.

5	WRITTEN NOTICES TO SUBCONSULTANTS	15 Points
---	--	-----------

The proposer provided written notice* of its interest in receiving subconsultant proposals to those business enterprises, including MBEs, WBEs and OBEs, having an interest in participating in such selected work. All notices of interest shall be provided not less than **ten (10) calendar days** prior to the date the proposals are required to be submitted. In all instances, proposer is to document that information concerning its interest in sub-proposer work was sent to available MBEs, WBEs and OBEs for each item of work to be performed.

Required Documentation: A copy of each letter sent to available MBEs, WBEs and OBEs for each item of work to be performed. If there is only one master notification, then a copy of the letter along with a listing of all recipients will suffice. In its review of the good faith effort documentation the awarding authority may request additional information to validate and/or clarify that the good faith effort submission was adequate. Any additional information submitted after the specified deadline will be treated at a higher level of scrutiny and may require third Party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request.

B. SUBMITTAL DOCUMENTS

The completed form shall be furnished to the Awarding Authority within 15 working days after completion of the contract.

C. DEFINITIONS

1. Minority or Women Business Enterprise (MBE or WBE): For the purpose of this program, Minority or Women Business Enterprise shall mean a business enterprise that meets both of the following criteria:
 - a. A business that is at least 51 percent owned by one or more minority persons or women, in the case of any business whose stock is publicly held, at least 51 percent of the stock is owned by one or more minority persons or women; and
 - b. A business whose management and daily business operations are controlled by one or more minority persons or women.
2. Other Business Enterprise (OBE): For the purpose of this program, Other Business Enterprise shall mean any business enterprise which does not otherwise qualify as a Minority or Women Business Enterprise.
3. Minority person: For the purpose of this program, the term "Minority person" shall mean African Americans; Hispanic Americans; Native Americans (including American Indians, Eskimos, Aleuts, and Native Hawaiians); Asian-Pacific Americans (including persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the United States Trust Territories of the Pacific, Northern Marianas); and Subcontinent Asian Americans (including persons whose origins are from India, Pakistan and Bangladesh).
4. Certification as a Minority or Women Business Enterprise: an MBE/WBE must be certified by 1) City of Los Angeles, Bureau of Contract Administration; 2) State of California Department of Transportation (CalTrans); 3) Los Angeles County Metropolitan Transportation Authority; 4) Any certifying agency that is a part of the State of California, Unified Certification Program (CUCP) so long as the certification meets all of the City of Los Angeles' MBE/WBE Certification requirements; or 5) Southern California Minority Business Development Council, Inc. (SCMBDC) for MBE certifications only. Certification must be current prior to the Awarding Authority's award of a contract if credit is to be allowed towards the anticipated levels of MBE/WBE participation on this project.

5. Good Faith Effort Documentation: *Prior to proposal submittal* the proposer must take affirmative steps to assure that minority and women owned and controlled businesses are considered along with other business enterprises whenever possible as sources of supplies and services. Affirmative steps for Good Faith Effort Documentation are outlined in Paragraph A herein. The Good Faith Effort Documentation must be submitted with the proposal. Failure to submit the Good Faith Effort Documentation will result in the proposal being found non-responsive.
6. Personal Services Contracts: Contracts for professional services whose consultant selection is based on technical proposals and/or qualifications rather than through the competitive bid process.
7. Subconsultant: For the purpose of this program, the term "Subconsultant" denotes an agreement between the prime consultant and the individual, firm or corporation (MBE/WBE/OBE) for the performance of a particular portion(s) of the work and the completion of which the consultant is obligating itself.
8. Participation Recognition:
 - a. Work performed by a prime consultant will not be considered for credit in computing the anticipated levels of MBE/WBE participation established by the Awarding Authority for this project. The prime consultant will be required to make good faith efforts to obtain reasonable expected participation levels through subconsulting or materials and supplies acquisition.
 - b. Recognition for materials and/or supplies is limited to 60 percent of the amount to be paid to the vendor for such materials/supplies in computing the anticipated levels of MBE/WBE participation, unless the vendor manufactures or substantially alters the materials/supplies.
 - c. MBE/WBE credit for brokers required for performance of the contract is limited to the reasonable fee or commission charged, as not considered excessive, as compared with fees customarily allowed for similar services.
 - d. A firm which qualified as both a MBE and a WBE will be credited as MBE participation or as WBE participation, but will not be credited for both.
 - e. A listed MBE or WBE firm must be potentially available to perform a commercially useful function, i.e., must be potentially responsible for the execution of a distinct element of the work and potentially available to carry out its responsibility by performing, managing and supervising the work.
 - f. MBE/WBE credit shall not be given to a Joint Venture partner listed as a subconsultant by a Joint Venture respondent.

D. SUBCONTRACTS

Substitution: The contract document requires that the proposer's levels of MBE/WBE/OBE participation, if any, shall be maintained throughout the duration of the contract. If the substitution of a subconsultant lowers the pledged levels of MBE/WBE/OBE participation, the Awarding Authority requires the consultant to demonstrate a good faith effort to provide MBE, WBE and OBE firms an equal opportunity to compete for the subcontracting work being substituted.

E. NON-COMPLIANCE

The City will, when deemed appropriate, provide contract provisions relating to consultant's failure to comply with their pledged levels of MBE/WBE/OBE participation. Under these provisions:

1. Retainage of five percent (5%) of the monthly payment(s) shall be withheld when it is determined that the submitted MBE/WBE/OBE utilization (verified by City staff) are not being met. Retainage would be released upon compliance with the utilization plan.
2. In the event of non-compliance, i.e., a consultant is not achieving the contractually agreed upon MBE/WBE/OBE levels of participation, the "retainage", or part thereof, shall be assessed by the City as a penalty and/or the contract terminated.

F. AWARD OF CONTRACT

Nothing herein restricts the discretion of the Awarding Authority to reject all proposals in accordance with Charter Section 371.

ENDNOTES FOR LWO SUBCONTRACTOR INFORMATION FORM

¹ **Non-Profit 501(c)(3) Organizations:** A corporation claiming exemption under Section 10.37.1(g) of the LWO as a corporation organized under Section 501 (c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:

(A) A copy of the most recent IRS letter indicating that the contractor has been recognized as a non-profit corporation organized under section 501 (c)(3) of the United States Internal Revenue Code.

(B) An application for non-coverage or exemption, including the non-profit salary certification on the form referred to in Appendix A. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than 8 times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement

² **One-Person Contractor:** A contractor may apply for exemption under Section 10.37.1(f) of the LWO if that contractor has no employees. The one-person contractor shall submit an application for non-coverage or exemption to the awarding authority on the form referred to in Appendix A with the appropriate one-person contractor certification. If, subsequent to the approval of the exemption application, the contractor hires any employees, the exemption is no longer valid. Any employee the contractor hires becomes covered by the LWO to the extent that the employee performs work on the City agreement. In such cases, the contractor shall notify the awarding authority of the change in circumstances and submit to the awarding authority all the necessary forms to comply with the LWO reporting requirements, including the employee and subcontractor information forms.

³ **Exemption by Collective Bargaining Agreement – LAAC 10.37.12:** An employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by a collective bargaining agreement. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the employer shall submit written confirmation from the union representing the employees working on the agreement that the union and the employer have agreed to let the CBA supersede the LWO.

(A) Provisional Exemption from LWO during negotiation of CBA: An employer subject to the LWO may apply for Provisional Exemption from the LWO if the employer can document that: (1) the union and the employer are currently engaged in negotiations regarding the terms of the CBA; and (2) the issue of allowing the CBA to supersede the LWO has been proposed as an issue to be addressed during the negotiations. If granted, Provisional Exemption status is valid until the end of the negotiation process, including, if applicable, impasse resolution proceedings. During the negotiation process, the employer shall provide, upon request from the OCC, status reports on the progress of negotiations. At the end of the negotiation process, the employer shall provide the OCC with a copy of the final CBA to verify whether the LWO has been superseded, and the effective dates of the CBA.

(i) If the final CBA signed by the employer and the union supersedes the LWO, the employer shall be considered to be exempt from the LWO's wage and benefits provisions for the time period covered by the effective dates of the superseding CBA. The employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the employer shall be required to make retroactive corrections for any period of non-compliance, which may include making retroactive payments to affected employees for the relevant periods of non compliance.

(ii) If the final CBA signed by the employer and the union does not supersede the LWO, the employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the employer first became subject to the LWO. If necessary, the employer shall provide retroactive payments to affected employees for any time period during which the employer did not comply with the LWO.

⁴ **Occupational license - LAAC 10.37.1(f): Exemptions for Employees Requiring Occupational Licenses:** If an employer claims that the LWO does not apply to an employee pursuant to section 10.37.1(f) because an occupational license is required of the employee to perform the work, the employer shall submit to the awarding authority, along with the application for non-coverage or exemption, a list of the employees required to possess an occupational license, the type of occupational license required, and a copy of the occupational license itself. An exemption granted under this provision exempts only the employee who must possess an occupational license to perform work on the City agreement. If an occupational license is not required of an employee to perform the work, the employee remains covered by the LWO.

⁵ **Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.1(i):** A public lessee or licensee claiming exemption from the LWO under section 10.37.1(i) shall submit the small business application for exemption form referred to in Appendix A along with supporting documentation to verify that it meets both of the following requirements:

(A) The lessee's or licensee's gross revenues from all business(es) conducted on the City premises for the calendar year prior to the date of the application for exemption do not exceed the gross annual revenue amount set by the LWO in Section 10.37.1(i). That gross revenue amount shall be adjusted annually according to the requirements of the LWO. The gross revenue amount used in evaluating whether the lessee or licensee qualifies for this exemption shall be the gross revenue amount in effect at the time the OCC receives the application for exemption.

A public lessee or licensee beginning its first year of operation on a specific City property will have no records of gross annual revenue on the City property. Under such circumstances, the lessee or licensee may qualify for a small business exemption by submitting proof of its annual gross revenues for the last tax year prior to application no matter where the business was located, and by satisfying all other requirements pursuant to these regulations and the LWO.

A lessee or licensee beginning its first year of operation as a business will have no records of gross annual revenue. Under such circumstances, the lessee or licensee may qualify for a small business exemption by satisfying all other requirements pursuant to these regulations and the LWO.

(B) The lessee or licensee employs no more than seven (7) employees.

(i) For purposes of this exemption, a lessee or licensee shall be deemed to employ a worker if the worker is an employee of a company or entity that is owned or controlled by the lessee or licensee, regardless of where the company or entity is located; or if the worker is an employee of a company or entity that owns or controls the lessee or licensee, regardless of where the company or entity is located.

Whether the lessee or licensee meets the seven (7) employee limit provided for in Section 10.37.1(i) of the LWO shall be determined using the total number of workers employed by all companies or businesses which the lessee or licensee owns or controls, or which own or control the lessee or licensee. Control means that one company owns a controlling interest in another company.

(ii) If a business operated by the lessee or licensee is part of a chain of businesses, the total number of employees shall include all workers employed by the entire chain of businesses unless the business operated by the lessee or licensee is an independently owned and operated franchise.

(iii) A public lessee or licensee shall be deemed to employ no more than seven (7) employees if its entire workforce (inclusive of those employees falling within the guidelines stated in subsections (i) and (ii) immediately above) worked an average of no more than 1,214 hours per month for at least three-fourths of the time period that the revenue limitation provided for in section 10.37.1(i) is measured.

Until the OCC approves the application for exemption, the lessee or licensee shall be subject to the LWO and shall comply with its requirements. If the OCC approves the application, the lessee or licensee shall be exempt from the requirements of the LWO for a period of two years from the date of the approval. The exemption will expire two years from the date of approval, but may be renewable in two-year increments upon meeting the requirements.

⁶ **Governmental Entities – LAAC 10.37.1(g):** Agreements with governmental entities are exempt from the requirements of the LWO. If an agreement is exempt from the LWO because the contractor is a governmental entity, subcontractors performing work for the governmental entity on the agreement are also exempt.
