

Description of Camp

Camp Hollywoodland is located in Griffith Park nestled in a canyon between the Hollywood Sign and the Griffith Park Observatory. Operated by the City of Los Angeles Department of Recreation and Parks, the camp was designed to provide camping and recreational programs for girls. The facility includes 10 cabins, rest rooms, showers, a craft-room, dance studio, adventure challenge course, and main lodge.

Activity Leaders arrive on Monday mornings and work a varying schedule depending on program needs. The week is filled with theme-based activities and everyday camp activities which include swimming, crafts, games, outdoor cooking, dance and many more. The majority of an Activity Leader's time is spent working on the ropes course, climbing wall, at the pool or leading games. Camp Hollywoodland provides overnight camping experiences and outdoor recreational programs for girls ages 6-17.

Camp Hollywoodland has maintained a high reputation of quality supervision and care for over 90 years. As an Activity Leader on our staff you will be expected to adhere to all the guidelines set in our camp manual. Every minute of our weeks are planned with fun activities, and all staff are expected to adhere to those schedules. To ensure that we keep quality staff throughout the season all Activity Leaders are subject to weekly performance reviews. In the review process you will be evaluated on things such as: punctuality, enthusiasm, supervision, communication and participation. Employment for the entire summer is not guaranteed. If we feel as though you are not meeting our expectations, or are not actively trying to improve as the summer goes on, you may be given a week or more off to ensure our quality of service is being upheld. Please consider these details when applying for a position at Camp Hollywoodland.

Director's Message

Camp Hollywoodland has been offering quality programs since 1926. Our most popular program is our overnight summer camp for girls. We also offer parent/child weekends, movie nights, family day camps, girl getaway weekends and winter camp. Each spring we hire 30-40 counselors, in addition to support staff for the kitchen, ropes course and swimming pool to help run our programs.

Working at Camp Hollywoodland is more than just a summer job. Every member of our staff is important to the success of our program and we are very selective in hiring the right team for our camp family. We are looking for multi-talented individuals who can work well in groups as well as independently, providing personalized attention and instruction to our campers.

We respect the unique skills and experience each staff member brings to camp and welcome new ideas to enhance our traditions. Directors and Senior Staff work closely with activity leaders to ensure they will have a positive and meaningful summer with all the support and guidance they need. Serving as an activity leader can be a very rewarding experience for both the activity leader and campers. You will come away from camp having had a variety of experiences, memories and friendships that you will cherish for many years to come.

Thank you again for your interest in Camp Hollywoodland. We look forward to receiving your application.

Sincerely,
Lynette "Cricket" Smith
Camp Director
