Sports Registration Tips

Online Registration: Register through the website or LA Parks app. Register through the website this is the best way to secure your spot! In-person sign-ups are not available, only online at this time.

Registration Opens at 10 AM: Don't be alarmed if you see a "Call Facility" message before 10 AM-no need to call! Just keep refreshing the page until "Add to Cart" shows up.

Prepare Your Account in Advance: Make sure you're logged in before 10am and that your profile is complete with all necessary info for you and your child(ren). Having trouble with login or profile details? Reach out well before registration day, email us at: Palisades.rc@lacity.org.

Choose the Right Division:

Double-check the league flyer so that you know which league and division you want, **based on your child's age as of Jan 1st of this year**. If you wish to have your child play up a division please register them in the correct division and email Palisades.rc@laparks.org and let us know your request. We will try our best to move them up.

Pro Tip: Log in a few days before & double check your account info to avoid any last-minute surprises!
